The present findings are challenging. If these effects are not due to method variance, the processes are not understood in the L2TO context of learning Chinese. Since Chinese is the present context of learning of monolingual adults, this is surprising.

- Caution:** Do not turn the power off during the file-creating process.

- d. After the charging is finished, the message "Printer setup is complete. Press 1 to finish." is displayed on the Status 2 LCD. Press 1 to finish. Press 2 to return to the menu.

Note: The ink cartridges packaged with your printer are partly used during initial setup. In order to produce high quality printouts, the print head in your printer will be fully charged with ink. The one-off process consumes a quantity of ink and subsequent printing will be more economical.
