## Microsoft Style Guide:

**Microsoft Manual of Style** Microsoft Corporation, 2012-01-15 Maximize the impact and precision of your message Now in its fourth edition the Microsoft Manual of Style provides essential guidance to content creators journalists technical writers editors and everyone else who writes about computer technology Direct from the Editorial Style Board at Microsoft you get a comprehensive glossary of both general technology terms and those specific to Microsoft clear concise usage and style guidelines with helpful examples and alternatives guidance on grammar tone and voice and best practices for writing content for the web optimizing for accessibility and communicating to a worldwide audience Fully updated and optimized for ease of use the Microsoft Manual of Style is designed to help you communicate clearly consistently and accurately about technical topics across a range of audiences and media

**The Personalization Paradox** Val Swisher, Regina Lynn

Preciado, 2021-03-08 According to Infosys 86% of consumers surveyed indicated that personalized content has some impact on what they purchase and 25% said that personalization plays a large role in their purchases And yet looking at the data two things stand out Most companies say that personalizing the customer experience is a critical must have and they have the statistics to back it up Very few companies believe they are delivering enough personalized content or deliver it well What s holding these companies back from their personalization goals And how can you avoid the pitfalls and make personalization possible with your own enterprise content In this book global content strategy expert Val Swisher and senior content strategist Regina Lynn Preciado show you exactly what it takes to deliver personalized experiences at scale You ll learn Why personalized content is imperative to the enterprise Why so many companies fail to deliver and how to avoid the pitfalls The five dimensions of content standardization How to bring people technology and process together The impact of big data and artificial intelligence The only way to deliver personalized content at scale is to automate the process at the point of delivery And for that to work you ve got to change how you do content The Personalization Paradox Why Companies Fail and How to Succeed at Delivering Personalized Experiences at Scale shows you how

Write Better with Vale Brian P.

Hogan, 2025-12-18 Lint your docs like code turn any style guide into enforceable rules with Vale and publish clear consistent content every time Create consistent content that gives readers confidence with Vale the open source prose linter that helps you enforce your style guide automatically Use battle tested rules based on freely available popular style guides apply your brand s terms with a custom vocabulary and integrate Vale into your text editor Git hooks and CI pipeline Catch typos and inclusive language issues before they ship and spend your energy on shaping ideas instead of fixing copy Whether you re a technical writer working in a docs as code environment or a software engineer who occasionally writes you ll ship clean consistent copy every time When you work on a content project keeping things consistent can feel impossible Typos slip through people don t follow style rules and each contributor brings a slightly different voice Vale helps you ensure consistency across your content You ll start by catching typos as you learn how Vale works through hands on examples Then

you'll bring in community rules based on Google's and Microsoft's style guides. You'll combine overlapping styles, adjust the rules to match your needs, and start shaping the experience you want readers to have. Then you'll build your own rules from scratch and create a custom vocabulary to teach Vale to enforce your team's voice and jargon. By the end, you'll have a fully integrated, reusable style package that works in your editor, GitHub Actions, and your build systems. And while this book uses Markdown in its examples, you'll be ready to apply everything you learned to reStructuredText, AsciiDoc, and even the comments in your source code. Vale gives you a fast, reliable, and customizable way to keep your content consistent. What You Need This book uses Vale 3.12.0 or higher. You'll need a text editor like Visual Studio Code or Vim. You should be familiar with basic regular expressions and be comfortable working with command line tools and Markdown.

**Strategic Public Relations Writing** Jim Eggensperger, Jeanne Salvatore, 2022-06-28 Putting strategy front and center, this public relations writing textbook coaches students to readiness for a career as an effective strategic communicator. The book focuses on the strategic aspect of public relations writing that distinguishes it from other writing such as journalistic or academic. It highlights the essential types of writing necessary for effective public relations in multiple media channels demonstrated by contemporary cases direct from practitioners working today. Overviews of the various tactical formats that must be mastered for powerful strategic public relations, ranging from social media posts and website updates to podcasts, speeches, and infographics, prepare students to be effective and up-to-date professionals. Full of examples and exercises, the book's strength is in its practical utility for career preparation and success. This text is suited to public relations writing courses at the undergraduate and postgraduate level, particularly those with a focus on strategy or that combine strategy and writing into one course. Online resources include chapter outlines, a testbank, sample homework paper, and portfolio building assignments, and lecture slides.
