He analyses difficulty rather than ignoring it, marrying his own academic understanding with real sensitivity to the pupils' reactions and providing practical solutions. Trevor Wright, Senior Lecturer in Secondary English, University of Worcester and author of *How to be a Brilliant English Teacher* also by Routledge. *Teaching Reading Shakespeare* is for all training and practising secondary teachers who want to help their classes overcome the very real difficulties they experience when they have to do Shakespeare. Providing a practical and critical discussion of the ways in

which Shakespeare's plays present problems to the young reader the book considers how these difficulties might be overcome. It provides guidance on confronting language difficulties including old words meaning, grammar, rhetoric and allusion; reading the plays as scripts for performance at Key Stage 3 and beyond using conversation analysis in helping to read and teach Shakespeare; reading the plays in contextual, interpretive and linguistic frameworks required by examinations at GCSE and A Level. At once practical and principled, analytical and anecdotal, drawing on a wide range of critical reading and many examples of classroom encounters between Shakespeare and young readers, *Teaching Reading Shakespeare* encourages teachers to develop a more informed, reflective and exploratory approach to Shakespeare in schools.
