**Experimental Lecture by Colonel Spanker, on the Exciting and Voluptuous Pleasures to be Derived from Crushing and Humiliating the Spirit of a Beautiful and Modest Young Lady, as Delievered by Him in the Assembly Room of the Society of Aristocratic Flagellants, Mayfair** Spanker (Colonel),1900 [Experimental Lecture by Colonel Spanker](#) Anonymous,2011-05-01 In the assembly room of the Society of Aristocratic Flagellants Mayfair Colonel Spanker strives to confirm his thesis that the punishment of a refined young lady produces more exquisite pleasures than flogging lower class women and prostitutes Experimental Lecture by Colonel Spanker is one of the most notorious nineteenth century English flagellant novels Henry Spencer Ashbee s Catena Librorum Tacendorum describes it as the most coldly cruel and unblushingly indecent of any we have ever read it stands entirely alone in the English language Fraxi 1885 250 This edition of Experimental Lecture also includes the full text of The Yellow Room or Alice Darvell s Subjection a late Victorian novella focusing on the delights of birching and the pleasures of cruelty Following the death of her aunt beautiful Alice Darvell is sent to live with Sir Edward Bosmere a stern disciplinarian and devotee of Venus Callipyge who initiates her into the mysteries of the rod The Yellow Room was first published in 1891 The name of the author M Le Comte du Bouleau is a pseudonym Authorship is attributed to an English lawyer Stanislas Matthew de Rhodes 1857 1932 He is also credited with writing Gynecocracy 1893 and The Petticoat Dominant 1898 which are available from Birchgrove Press **Experimental Lecture** Spanker,2014-12-30 Colonel Spanker has one simple proposition that flagellating upper class ladies is immeasurably more pleasurable than committing like acts on those of lower standing and prostitutes Thus for the benefit of those members of the Society of Aristocratic Flagellants our lascivious lecturer decides to put his thesis to the test the subject of said experiment being one extremely unfortunate Lady Ponsonby What follows is positively Sadian as each stroke and spank and poke is told in sumptuously graphic and uncompromising detail Described by the Victorian bibliographer Henry Spencer Asbhee as unblushingly indecent Experimental Lecture is a must have addition for any collection of the flagellatory erotic Those faint of heart and delicate of constitution beware [Clandestine Erotic Fiction in English 1800-1930](#) Peter Mendes,2016-12-05 This work offers bibliographical descriptions of all printings of erotic fiction in English issued clandestinely during the period 1800 1930 By clandestine is meant books whose publishers and printers attempt to hide their identities usually by offering title pages whose misleading places and dates of publication may shock and amuse but which always aim to mystify Using internal and external evidence an attempt is made to establish who were the printers booksellers and publishers English and Continental involved in this trade The printing families or groups into which a large percentage of the material falls are classified accompanied by illustrations which identify the main printing characteristics house styles of the groups Bibliographical descriptions follow a checklist of clandestine catalogues these provide valuable evidence for dating pricing and sales pitch and information on items of which no copies can now be traced The work concludes with a

series of appendices which provide significant external evidence and three indexes of themes titles and names Peter Mendes original research builds on and significantly extends the essential pioneer work of the Victorian collector and bibliographer H S Ashbee Pisanus Fraxi      **A Lover's Pinch** Peter Tupper,2018-08-10 A worldwide subculture that influences everything from fashion to advertising sadomasochism has a long and lively history A Lover s Pinch tells the story of consensual sadomasochism from a controversial religious practice to a secretive sexuality branded a perversion The origins of kink and fetish culture have been shrouded in secrecy and myths until now Here Peter Tupper reveals the true story of sadism and masochism dominance and submission From the ancient Christian flagellants to the Fifty Shades trilogy the history of consensual sadomasochism is a story of fascinating individuals unlikely connections and strange twists and turns Meet Arthur Munby the Victorian gentleman who secretly married Hannah Cullwick his maid of all work and called her his slave and Jack McGeorge the UN weapons inspector who was outed as a BDSM club leader just before the Iraq war Explore the links between Robinson Crusoe Uncle Tom s Cabin and modern BDSM pornography and between fetish fashion and anti Catholic propaganda Learn how the 19th century middle class household nurtured dominant submissive sexuality Discover the secret history of a hidden world Winner 2019 Geoff Mains Non Fiction Book Award NLA International      [Sexual Underworlds of the Enlightenment](#) George Sebastian Rousseau,Roy Porter,1987 An exploration of the unknown dimensions of Enlightenment sexuality which describes lesbianism and homosexuality in their historical contexts public prurience and fascination with the sexually bizarre pornography prostitution and the victims of sexual malpractices and repression

**Catena Librorum Tacendorum** Henry Spencer Ashbee,1885      **Bibliography of Forbidden Books** - Henry Spencer Ashbee,2007-11-01 In this final volume of the 1877 work that established him as England s leading authority on pornography Henry Spencer Ashbee describes scores of curious uncommon and erotic books that were banned or otherwise prohibited from legitimate sale during the Victorian era Included in this volume are such gentlemen only titles as Intrigues and Confessions of a Ballet Girl The Pleasures of Kissing and Being Kissed and the infamous Memoirs of a Woman of Pleasure This catalog of mostly forgotten works is an invaluable and highly entertaining resource for bibliophiles students of erotica and collectors of Victoriana British book collector travel writer and bibliographer HENRY SPENCER ASHBEE 1834 1900 aka Pisanus Fraxi is thought by some to have authored the notorious Victorian sexual memoir My Secret Life      **A Study of Erotic Literature in England** W. v. Murat,2019-09-24 The present work fills a gap as it attempts to offer a history of erotic literature published in the United Kingdom The word Study in the title is perhaps a bit exaggerated as the material is largely taken from the now well known bibliographies by Pisanus Fraxi Henry Spencer Ashbee and quotations from the books themselves The time line is WW II Who was the author He may have been Charles Reginald Dawes 1879 1964 who is supposed to have written but not published a text of this or a similar title His profession or his activities are not known he once called himself a writer but library catalogues credit him only with two publications The Marquis de Sade Paris 1927 and

Retif de la Bretonne London 1946 privately printed He may have been a popular writer under pseudonyms though Dawes owned a good erotica collection which he willed to the British Museum Library that would explain why the author of this Study if he was Dawes could quote freely from erotic texts which only few of his contemporaries would have had available The main merits of this book are that the author was thoroughly familiar with English and French erotic literature and that he put his material in chronological order and in context The editor added a number of references illustrations and indices of personal names and titles to facilitate navigation     **Erotic Literature** Jane Mills,1995-05     **A History of English Sexual Morals** Iwan Bloch,1936     **Encyclopedia of Censorship** Jonathon Green,Nicholas J.
