

**Southern New Hampshire University**  
2019-2020 Academic Catalog and Handbook

However the use of traditional tree species and tree improvement products reported in this study points to the need for more research and more studies involving traditional tree species. This is because the traditional tree species are more common. Both study areas will undergo further research and more studies will be conducted.

Although this may not be the case, you may have to make some changes to your branding and marketing. This could be when big products come into play, or when you just want to change the way you are perceived.

For more information, contact the Office of the Vice President for Research and the Office of the Vice President for Student Affairs.
