## Welcome to IBM i Access Client Solutions

IBM i Access Client Solutions provides a platform independent interface which consolidates the most common tasks for using and managing your IBM i system. Additional information about each task is available by either moving the cursor over the task or by using the tab and arrow keys to navigate between groups and tasks. To select a task, click on the task or use the tab and arrow keys to navigate to a task and then press the enter key.

To get started, add a system configuration for each IBM i system you want to use or manage. To add a system configuration, select **System Configurations** from the **Management** tasks.
