Learner-directed Assessment in Esl Glayol V. Ekbatani, Herbert D. Pierson, 2012-10-12 This text integrates the theory and practice of learner based assessment Written in response to two recent movements in language teaching learner centered teaching and a renewed interest in authenticity in language testing it examines the relationship between the language learner and language assessment processes and promotes approaches to assessment that involve the learner in the testing process Particular attention is given to issues of reliability and validity Grounded in current pedagogical applications of authentic assessment measures this volume is intended for and eminently accessible to classroom teachers and program directors looking for ways to include their students in the evaluation process graduate students and professional language testers seeking authenticity in assessment and desiring to create more interactive evaluation tools The ESL Writer's Handbook, 2nd Ed. Janine Carlock, Maeve Eberhardt, Jaime Horst, Lionel Menasche, 2017-12-20 The ESL Writer's Handbook is a reference work for ESL students who are taking college level courses Because its purpose is to provide help with the broad variety of writing questions students may have when working on school assignments the text focuses on English for Academic Purposes Unlike other handbooks on the market this book's sole purpose is to address the issues of second language learners The spiral bound Handbook complements a student writer's dictionary thesaurus and grammar reference book It would be

suitable as a text for an advanced ESL writing course when used together with the companion Workbook 978 0 472 03726 1

The new edition features significant revisions to Sections 3 and 4 in particular both APA and MLA style guides have been updated and new sample papers for each are included The new edition includes new and revised exercises and many new samples of student writing Like its predecessor the 2nd Edition has these special features The topic selection is based on ESL writers needs as observed by the authors over many years The coverage of topics is more complete than the limited amount usually provided for ESL writers in first language or L1 handbooks The explanatory language is appropriate for ESL students in contrast to the more complex and idiomatic language of other English handbooks Many of the examples of paragraphs essays research papers and exercise sentences were written by ESL students to help users realize that they too can become effective writers
