Human rights in diverse education contexts J.P. Rossouw, Elda de Waal, Johan Beckmann, Johan Botha, Franciska Bothma, André du Plessis, Elize Küng, Nicholas Mollo, Ewelina Niemczyk, Louise Postma, Erika Serfontein, Marius Smit, Charl C. Wolhuter, 2019-12-12 The focus of this publication is on answering the central research question How can Human Rights be advanced with regard to different kinds of diversities and in different educational settings The publication pays special attention to the advancement of human rights in a variety of education related contexts in keeping with human rights as a declared national priority for both society at large and the education system One strategic priority of the Faculty of Education is research based on market requirements and needs This book strives towards meeting this expectation by directly aiming at building human rights and social justice in the South African society public schools and higher education institutions Adjudication in the education context of the constitutional values of dignity equality and freedom focusses regularly on learners The book highlights the value of education for full fledged citizenship by delineating what schooling should entail to inspire learners towards both claiming equal freedoms and rights and taking accountability for the responsibilities attached to citizenship *Elite Youth Sport Policy and Management* Elsa Kristiansen, Milena M. Parent, Barrie Houlihan, 2016-10-04 Elite youth sport competitions have increased significantly in number in recent years with the Youth Olympic Games representing the high point of this phenomenon This book examines the global context within which elite youth sport has emerged and continues to grow It explores elite youth sport policy across fifteen countries in Europe the Americas Africa and Asia addressing the questions of how youth talent development is organised and why elite youth sport has become so popular Taking a comparative global perspective the book analyses the growth in more systematic approaches to young athlete development and the increasing emphasis on early talent identification It discusses the attitude of stakeholders such as NGBs governments and sponsors towards elite youth sport while also considering how young elite athletes interests are protected and how the growth in elite youth sport affects a sport s development strategy Written by a team of internationally renowned researchers *Elite Youth Sport Policy and Management* A comparative analysis is fascinating reading for all students scholars managers policy makers and coaches with an interest in youth sport elite sport development talent identification and sports policy *Children, Sexuality, and the Law* Sacha M. Coupet, Ellen Marrus, 2015-05-22 American political and legal culture is uncomfortable with children s sexuality While aware that sexual expression is a necessary part of human development law rarely contemplates the complex ways in which it interacts with children and sexuality Just as the law circumscribes children to a narrow range of roles either as entirely sexless beings or victims or objects of harmful adult sexual conduct so too does society tend to discount the notion of children as agents in the domain of sex and sexuality Where a small body of rights related to sex has been carved out the central question has been the degree to which children resemble adults not necessarily whether minors themselves possess distinct and recognized rights related to

sex sexual expression and sexuality Children Sexuality and the Law reflects on some of the unique challenges that accompany children in the broader context of sex exploring from diverse perspectives the ways in which children emerge in sexually related dimensions of law and contemporary life It explores a broad range of issues from the psychology of children as sexual beings to the legal treatment of adolescent consent This work also explores whether and when children have a right to expression as understood within the First Amendment The first volume of its kind Children Sexuality and the Law goes beyond the traditional discourse of children as victims of adult sexual deviance by highlighting children as agents and rights holders in the realm of sex sexuality and sexual orientation
