## **Mirror For Humanity 8th Edition:**

Assault on Paradise Conrad Phillip Kottak,2017-11-10 By the highest standards Assault on Paradise ranks among the best and most complete modern ethnographic accounts ever written In a rich narrative style it chronicles the rapid social and economic change in Arembepe a once isolated coastal fishing village in Brazil where the author first conducted anthropological fieldwork more than fifty years ago With emphasis on the impact of globalization technology and mass media the current edition extends stories of people and events as well as internal and external changes Readers quickly feel a part of the evolving community of Arembepe and the author's close friends and informants As one reviewer put it The people and personalities come through in a very human and often amusing way This isn't ethnography with the people taken out The well structured jargon free coverage makes it ideal for use in introductory anthropology courses

**Contemporary Cultures and Societies of Latin America** Dwight B. Heath,2002 Featuring 47 essays on recent developments in Latin America and in anthropology this anthology discusses the image and reality of the region the basic principles and practices of anthropology traditional and modern cultures identity and ethnicity relations of power and worldviews Selections were chosen in part for their accessibility jargon is kept to a minimum A bibliographic essay is included There is no index
