Teaching Disciplinary Literacy in Grades K-6 Sarah Lupo,Christine Hardigree,Emma Thacker,Amanda Sawyer,Joi Merritt,2021-09-06 Accessible and engaging this text provides a comprehensive framework and practical strategies for infusing content area instruction in math social studies and science into literacy instruction for grades K-6. Throughout ten clear thematic chapters the authors introduce an innovative Content Driven Integration CDI model and a roadmap to apply it in the classroom. Each chapter provides invaluable tools and techniques for pre-service classroom teachers to create a quality integrated thematic unit from start to finish. Features include Chapter Previews, Anticipation Guides, Questions to Ponder, Teacher Spotlights, Now You Try It sections, and more. Using authentic examples to highlight actual challenges and teacher experiences, this text illustrates what integrating high quality, rich content-infused literacy looks like in the real world. Celebrating student diversity, this book discusses how to meet a wide variety of students' needs with a focus on English Language Learners, culturally and linguistically diverse students, and students with reading and writing difficulties. A thorough guide to disciplinary integration, this book is an essential text for courses on disciplinary literacy, elementary primary literacy, and English Language Arts (ELA) methods, and is ideal for pre-service and in-service ELA and literacy teachers, as well as consultants, literacy scholars, and curriculum specialists.

Writing Strategies for the Common Core Hillary Wolfe,2013-12-18 Middle school students must be able to write explanatory, informational, argument, and narrative genre pieces and respond to literature both for standardized tests and more importantly, real world writing. With a balanced literacy approach, Wolfe provides core instruction, teaching strategies, and mini-lessons on these text types, each of which can be delivered in a four to six week time period. Each mini-lesson includes applicable Common Core Standards, materials lists, overviews, planning tips, procedures, including modeling, guided practice, and independent practice opportunities, reading connections, formative assessments, and reproducible graphic organizers for scaffolding. Prerequisite skill overviews and rubrics, both analytic for formative assessments and holistic for summative assessments, are also provided for each genre unit to simplify your teaching and ensure student success.

Just Read It Jarred Amato,2024-02-01 Read widely and read often. Create a classroom environment where independent reading thrives. Independent reading is more than just drop everything and read; it is a gateway to writing, critical thinking, discussion, and deeper learning. Author Jarred Amato, an accomplished middle and high school English teacher and founder of Project LIT Community, believes in the power of independent reading not only to turn around the reading attitudes of students but also to help them achieve huge gains in all areas of literacy, learning, and civic engagement. Many teachers have pushed aside independent reading in the time crunch to teach all the content and skills in the curriculum or because of pressure to stay true to a traditional literary canon. Instead of looking at it

Portraits Margaret Fleming, Jo McGinnis, 1985 Prepared by experienced classroom teachers from all levels the articles in this book explain how to use biography and autobiography as a basis for the thorough study of a topic in literature history the social sciences or other subject areas The nine articles in the first section of the book use Maya Angelou

s I Know Why the Caged Bird Sings and Carl Sandburg's Abe Lincoln Grows Up to illustrate a wide range of possible classroom applications of biography and autobiography. These articles focus on techniques teachers can use to get beyond surface facts into the significance of the works and draw upon Bloom's Taxonomy of Educational Objectives and other analyses of mental activity to sketch lines of inquiry and discussion from various disciplines. In addition the articles concentrate on one salient concept from each discipline and develop it through the use of one of the approaches offered. The four articles in the second section of the book discuss ways to approach sensitive or controversial subject matter ways to develop writing assignments from the study of biography and autobiography and other classroom concerns. FL The Effective Teaching of Language Arts Donna E. Norton, 2004 Effective teaching of language arts requires commitment to excellence on the part of classroom teachers. The language arts include speaking, listening, reading, and writing. Excellence cannot be attained without thorough knowledge of the language arts and understanding of methods that develop language arts abilities in children.
