## Mississippi Asa State Tournament:

**One Jump Ahead** Jonathan Schaeffer, 2008-12-16 It's hard to believe that it's been over a decade since *One Jump Ahead Challenging Human Supremacy at Checkers* was published. I'm delighted to have the opportunity to update and expand the book. The first edition ended on a sad note and that was reflected in the writing. It is now eleven years later and the project has come to a satisfying conclusion. Since its inception, the checkers project has consumed eighteen years of my life. Twenty if you count the pre-CHINOOK and post-solving work. It's hard for me to believe that I actually stuck with it for that long. My wife Steph would probably have something witty to say about my obsessive behavior. Rereading the book after a decade was difficult for me. When I originally wrote *One Jump Ahead*, I vowed to be candid in my telling of the story. That meant being honest about what went right and what went wrong. I have been criticized for being hard on some of the characters. That may be so, but I hope everyone will agree that the person receiving the most criticism was justifiably me. I tried to be balanced in the storytelling, reflecting things as they really happened and not as some sanitized everyone-lived-happily-ever-after tale.

*Sports Competitions for Adults Over 40* Thomas A. Jones, 2009-06-08 A healthy lifestyle is a popular way to deal with aging, but the serious fun and games don't have to end once middle age sets in. This guidebook is aimed at men and women over 40 or 50 or 60 or 70 who seek the challenge of athletic competition. The book focuses on those sports requiring significant physical exertion and includes team sports such as soccer, softball, and basketball, and individual sports such as skiing, tennis, and swimming. Chapters on each sport identify the national sponsoring organization and regional affiliates, describe the types of competition available, and give a breakdown of the competitors by age and gender. A "How to Get Started" section describes basic skills needed for each sport, equipment required to compete, opportunities for coaching, and suggested books and videos for beginners. The book also features a list of the 2007 or 2008 national champions in each sport.

**Legacy of the Blues: a Century of Athletics at the W** Garrett, Burdeshaw, Spearman, Wells, 2012-03-09

Mississippi University for Women was a pioneer in the Southeast Region as well as the State of Mississippi in encouraging promoting and sponsoring intercollegiate athletics for women. The programs were always of the highest quality and conducted with integrity. The students and coaches involved were dedicated and committed to their respective sport. Loss of the Physical Education Assembly Building destroyed by a tornado in 2002 and the subsequent decision in 2003 by the university to cease participation in intercollegiate athletics prompted the writing of this book. Physical resources and historical records had been destroyed. Concern that the knowledge of this program would be lost along with its significance to the university alumnae and women's sport history challenged five retired Health and Kinesiology faculty members to write this book. They knew that their collective knowledge and experiences were invaluable in recording a century of athletic competition at the W.

These women promoted the educational model of sport believing that the opportunity to participate in sports brings both value and pleasure to the quality of life      *Official Fast and Slow Pitching Softball Rules* ,1938      **United States Congressional Serial Set, Serial No. 15010, Senate Reports Nos. 268-283** ,      **Southern Medical Journal** ,1916
