Leading Church Multiplication Locally Regionally And Nationally:

Church Planting in the Secular West Stefan Paas, 2016-11-03 An expert study of church planting in the most secular part of contemporary Europe In this book Stefan Paas offers thoughtful analysis of reasons and motives for missionary church planting in Europe and he explores successful and unsuccessful strategies in that post Christian secularized context Drawing in part on his own involvement with planting two churches in the Netherlands Paas explores confessional motives growth motives and innovation motives for church planting in Europe tracing them back to different traditions and reflecting on them from theological and empirical perspectives He presents examples from the European context and offers sound advice for improving existing missional practices Paas also draws out lessons for North America in a chapter coauthored with Darrell Guder and John Franke Finally Paas weaves together the various threads in the book with a theological defense of church planting Presenting new research as it does this critical missiological perspective will add significantly to a fuller understanding of church planting in our contemporary context

Foundations for Fruitful Church Planting Ken L. Davis, 2023-07-28 Church planting is one of the most challenging yet rewarding adventures you can embark on Often zealous planters and their teams launch their new church prematurely without taking time to lay a firm foundation for long term fruitful ministry Failure to do so often results in a weakened new church or even the new church closing after a few years Rather than focusing on methodology the how to s of church planting this book gives attention to six foundational concerns wise planters will need to nail down before they ever plant Biblical foundations Theological foundations Ecclesiological foundations Missiological foundations Spiritual foundations Practical foundations Although helpful for a wide range of planting leaders this book is particularly written for four specific groups those who feel called to plant and are making preparations their planting teammates and launch leaders those exploring church planting those who coach and train church planters Foundations for Fruitful Church Planting serves as a comprehensive resource that will guide you to think strategically plan carefully and prepare thoroughly to birth a healthy growing and reproducing congregation Each chapter includes recommended resources discussion questions and follow through exercises

[Global Church Planting](#) Craig Ott, Gene Wilson, 2010-12-01 With nearly fifty years combined global church planting experience Craig Ott and Gene Wilson are well qualified to write a comprehensive up to date guide for cross cultural church planting Combining substantive biblical principles and missiological understanding with practical insights this book walks readers through the various models and development phases of church planting Advocating methods that lead to church multiplication the authors emphasize the role of the missionary church planter They offer helpful reflection on current trends and provide best practices gathered from research and empirical findings around the globe The book takes up a number of special issues not addressed in most church planting books such as use of short term teams partnerships and wise use of resources Full of case studies and real examples from around the world this practical text will benefit students church planters missionaries and missional church readers

Mobilizing Movements Murray Moerman, 2021-02-26 Accelerating Movements As record numbers of people around the world respond to Christ a need for community structure and leadership is emerging Disciple making and church planting must extend to the most remote areas of every people group and nation to assist individuals as they come to Christ Lasting movements build on specific traits and strategies in both teams and leadership including divine passion that lasts beyond whims and hardships Murray Moerman provides realistic expectations of what it takes to facilitate a movement and how to gain the support of various partners needed for long term success resulting in whole nation church planting saturation Based on years of research Mobilizing Movements contains both practical and spiritual elements You will find insights and models from several continents for macro whole nation strategies and micro personal disciple making Features include Key components of healthy movements Nine accelerants for movements Analysis of seven challenging contexts in which movements can still flourish Practical strategies scalable to your capacity and context Writing for novices as well as practitioners Moerman casts a vision for completing the Great Commission and invites us to mobilize movements [Viral Churches](#) Ed Stetzer, Warren Bird, 2010-04-26 A groundbreaking guide for multiplying the impact of church plants Based on a study that was commissioned by the Leadership Network this book reveals the best practices in church planting and uncovers the common threads among them A much needed resource this book will inform guide and even catalyze today s many church planting leaders The authors clearly show leaders how to plant churches that create a multiplication movement and offer inspiration for them to do so The book addresses their questions about what to do next in their church planting strategies in light of research on what s actually working best Author Ed Stetzer heads up LifeWay Research Provides reliable credible information about what church planting strategies work best A volume in the Leadership Network Series Offers a definitive guide for church planting and the burgeoning movement it is part of [Creating Local Arts Together - Revised and Updated](#) Brian Schrag, 2025-01-07 Cultivating Creativity for Kingdom Flourishing Creating Local Arts Together is a manual that offers a transformative approach to integrating local arts with kingdom work The practical text reduces experience based scholarly insights into a flexible seven step process The purpose of this manual is to guide your involvement in working toward a new reality one in which all communities are using all their gifts to worship obey and enjoy God In this revised edition Brian Schrag has incorporated user feedback lessons learned and additional real life stories of these principles over the last decade This book includes an added index periodic reflection questions case studies from people applying CLAT in various contexts updated references and more content devoted to multicultural contexts Drawing on historically robust discoveries and methods of academic disciplines ethnomusicology folklore performance studies anthropology biblical studies missiology and ethnodoxology Creating Local Arts Together teaches about artistic communication within communities whether cultures close to home or far afield [Stronger Together](#) Dave Harvey, 2023-02-14 A vision of church partnerships that will elevate churches to greater gospel fruitfulness and enable them

to thrive Networked churches are the primary church planting force in evangelicalism today but what makes them so effective why do they remain so under appreciated and what are the common pitfalls that can ensnare them I Stronger Together veteran church planter and pastor Dave Harvey draws from his experiences and study of networks to walk Christian institutions church leaders and planters through tested strategies for starting and sustaining healthy and biblical church partnerships By focusing on key virtues and shedding light on the pitfalls that oppose them Harvey unpacks seven dichotomies that offer a practical roadmap to healthy patterns Conviction vs consumerism Gifted leadership vs isolationism Collaboration vs radical individualism Renewal dynamics vs institutionalism A kingdom mindset vs tribalism Humility vs egotism Modesty vs triumphalism When churches are vitally connected to other churches they thrive multiply and last longer Scripture exemplifies this and research proves it Stronger Together part of the Exponential series on ministry growth and discipleship will teach you exactly how to pursue biblical collaboration that will allow your church to flourish and your ministry to grow *Planting New Churches* Jack Redford, 1978 Nine well tested steps for starting new churches

Implications of a Global Religious Movement for Local Political Spheres Katharina Hofer, 2006 Die vorliegende Studie befasst sich mit der öffentlichen Rolle der evangelikalen Bewegung in Kenia und Uganda Der Untersuchung liegt die Hypothese zugrunde dass die Anziehungskraft dieser rasant wachsenden Religionsgemeinschaft nicht nur von ihrer charismatischen Spiritualität ausgeht sondern auch von ihrer konservativen Weltanschauung Sie dient der Stabilisierung im Zuge komplexer gesellschaftlicher und wirtschaftlicher Wandlungsprozesse Die evangelikale Bewegung befriedigt jedoch nicht nur das persönliche Sicherheitsbedürfnis sie stellt auch psychologische und materielle Ressourcen für ein aktives Eingreifen in den Wandlungsprozess bereit Für die Gegenüberstellung von religiösen und politischen Ordnungsvorstellungen wurde eine Erhebung zu politischen und sozialen Einstellungsmustern durchgeführt Das Ergebnis der Erhebung zeigt dass Anhänger der evangelikalen Bewegung im Vergleich mit Anhängern anderer Religionsgemeinschaften einerseits starker zu politischem Autoritarismus und Vorurteilen neigen andererseits jedoch für einen an neo konservativen Werten angelehnten sozio ökonomischen Wandlungsprozess eintreten **Association Men. Emerging Mission Mark Oxbrow, Emma Garrow, 2005 Contributed research papers presented at a consultation in Bangalore India in November 2004 **Church of God Evangel**, 2001 *Rekindling the Mainline* Stephen C. Compton, 2003-06-01 Not only do new church starts in significant numbers bring systemic change and renewal to mainline denominations but new church development brings similar change to individual aging congregations in their vicinity Author Stephen Compton argues that a decline in new church starts in the last half of the 20th century was the major contributor to the decline of mainline church groups not liberalism or lack of faith as is often cited He shows in this book how introducing considerable numbers of new congregations into these old denominations can cause these venerable institutions to revisit the

meaning of church and congregation develop a clearer vision of their collective mission and grow in their ability to bring about positive change in the world In effect he contends new churches in an aging organization do not merely make it grow They make it change in ways that make it more effective in its mission and ministries This book will appeal to leaders across denominational lines including those not ordinarily called mainline and especially to pastors and leaders of older congregations
