Le Vallon De Jasper:

Rockglaciers Dietrich Barsch, 2012-12-06 Rockglaciers are the visible expression of the creep of mountain permafrost. They are indicative of special geo ecologic and geomorphic conditions regarding thermal situation talus production hydrology and hazards in high mountain environments of all major mountain systems on earth. As relict features they are of great paleoclimatic value. This book presents a systematic treatment of this landform in its environmental context. *The Work of Literary Translation* Clive Scott, 2018-06-07 Offering an original reconceptualization of literary translation Clive Scott argues against traditional approaches to the theory and practice of translation. Instead he suggests that translation should attend more to the phenomenology of reading triggering creative textual thinking in the responsive reader rather than testing the hermeneutic skills of the professional translator. In this new guise translation enlists the reader as an active participant in the constant re fashioning of the text's structural associative intertextual and intersensory possibilities so that our larger understanding of ecology anthropology comparative literature and aesthetics is fundamentally transformed and our sense of the expressive resources of language radically extended. Literary translation thus assumes an existential value which takes us beyond the text itself to how it situates us in the world and what part it plays in the geography of human relationships. **Le Vallon de Jasper** Janet Annan, Nathalie Chollot, Christelle Martinet, 2014-11-20 Une histoire adorable et pleine d'imagination écrite dans un style semblable celui d'Enid Blyton. Les enfants vont l'adorer. Cassie est une petite fille de sept ans vive et imaginative mais elle a souvent des ennuis à la maison parce qu'elle passe son temps à rêver. Ses parents sont inquiets mais le père de Cassie, un fermier, est bienveillant et il est confiant quant à l'avenir de sa fille. Cassie a son endroit secret, la ferme LE VALLON où elle passe son temps libre. Un jour elle est témoin de trois très minuscules et très insolites qui ont élu domicile. C'est le début d'une solide amitié et Cassie encourage et soutient ses nouveaux amis dans leur projet d'une nouvelle maison. Ils cherchent d'abord de leur rendre la pareille pour la remercier de sa gentillesse mais Cassie ignore leurs inquiétudes sans savoir que peu de temps après la bravoure de ses nouveaux amis lui sera indispensable dans un sauvetage d'urgence contre la mort.
