A Guide to College Success for Post-traditional Students Henry S. Merrill, 2017-08-01

The purpose of this book is to assist post traditional students to achieve success in the Occupational Workforce and Leadership Studies OWLS Department and develop their individualized pathway to earn the interdisciplinary Bachelor of Applied Arts and Sciences BAAS degree at Texas State University. Applied baccalaureate degrees incorporate higher order thinking skills and advanced technical knowledge and skills with applied coursework. BAAS students may also earn college level credits through prior learning assessment PLA evaluating and credentialing knowledge and skills gained outside the classroom. The organization and content of this book provides adult degree program faculty and leaders an example of how one required textbook develops and supports the outcomes and activities in all the core courses of an interdisciplinary degree program designed for post traditional adult learners. The majority of the students earning the BAAS degree are post traditional students. They are often defined with some or all of these characteristics over age 25 years old when starting or returning to

college may not have a traditional high school diploma enroll part time work full time are financially independent have dependents other than a spouse and may be a single parent These students juggle multiple roles and responsibilities in the family workplace and community Post traditional students bring rich work life experiences may be experiencing personal and or professional transitions have clear career goals and often finance their education They seek flexible programs including online education PLA and accelerated course formats Thus post traditional students want active collaborative and interactive learning relevant to career and other roles and goals
