Dear [Mr./Mrs./Ms.] [Hiring Manager's Name],

Upon consideration of your posting for a Speech Pathologist at \*\*\*, I felt compelled to submit my resume for your review. As an experienced Speech Pathologist with an empathetic approach and complete expertise in Speech Therapy, I believe that my services can provide a positive impact on your company.

I have the ability to motivate and encourage patients with a caring and encouraging demeanor. Furthermore, my skills lie in my ability to communicate and connect well with my patients, their parents (in the case of minor patients), and also my fellow staff, which I believe will create an overall motivating vibe in the hospital.

Consider the following highlights of my qualifications:

- I have been trained and experienced to provide instructions to my patients in communication skills in different settings, like schools, hospitals, outdoor locations, etc.
- I also have experience in training the primary caregivers and/or guardians in creating and implementing successful home communication strategies.
- In my previous workplace, I have assessed, diagnosed, and treated patients with various communication disorders caused by different traumas, ranging from aphasia to stroke.
- Apart from training, I work towards providing recovery, rehabilitation, and optimal learning aids for my patients.
- I have extensive organizational and communication skills along with compassion and care for my patients.

I am confident that if I am positioned as a speech pathologist at your organization, I would greatly exceed your expectations by providing great results to patients, and will significantly benefit your firm. I look forward to discussing the position of Speech Pathologist and my qualifications in further detail.

Thank you for your time, and consideration.

Sincerely,

[Your Name]
