After all, the two principal characters were writing for one another, not for a general audience. Understood within this context, the writing is strong. Both writers are insightful people with distinctive voices and rich emotional experiences and readers will be glad to have this window into their lives. **Black Enterprise**, 1989-06 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals, entrepreneurs and corporate executives. Every month BLACK ENTERPRISE delivers timely useful information on careers, small business and personal finance. **Connecticut's Girls of Summer** Anthony J. Renzoni, 2023-06-19 Connecticut has a long history of producing outstanding sports teams and athletes. Two of the greatest teams to come out of the state are the legendary Brakettes and Falcons women's fast pitch softball teams. In their seventy six year history, the Brakettes are considered the most successful and longest running organized women's sports franchise of all time. With forty national championships, three world championships and eleven Olympians, their dynasty remains synonymous with softball excellence. Likewise, the Connecticut Falcons were the most dominant team of the Women's Professional Softball League, winning the championship title all four years of the WPS existence. The most famous and iconic product of these two teams has been Waterbury's legendary Joan Joyce, who is considered by many experts to be the greatest female athlete in sports history. Join author Tony Renzoni as he interviews former players and highlights the accomplishments of these two renowned teams and their legendary athletes.

**Impact** Ann B. Fischer, Margot Northey, 1993 For any organization to perform and compete successfully, it must have the systems and processes in place to translate goals into achievable actions and to measure and monitor results. Moreover, the organization must be able to adjust and adapt as market conditions, technologies, the competitive environment, government
