Strong Medicine George C. Halvorson, 1993 Americans spend 900 billion a year on health care That s more than enough dollars to ensure high quality care for every citizen Why aren t we getting it And what can we do about it In this plainspoken book George Halvorson cuts to the heart of our health system s failure the incentives we offer doctors hospitals and insurers We pay for procedures not outcomes we reward providers for what they do whether it is effective or not instead of for improving patient health The result is the most wasteful complex redundant health care system in the world where as much as 25 percent of all procedures performed are unnecessary George Halvorson argues convincingly that if we want to change our system we don t need more government regulation greater expenditure or health care rationing Instead we need the right incentives If we reward quality and efficiency the health care system in this country will turn itself around

to provide them George Halvorson has spent twenty five years on the front lines of health care He has been president of an insurance company and a senior officer at Blue Cross Blue Shield Today he manages one of the country s largest and most successful managed care organizations This lively readable book combines the truths and eye opening examples he has gathered on the job with the best research and thinking on health care today It offers proposals for reform that are readily achievable and that will ensure better quality care for all Americans **"Code of Massachusetts regulations, 1998"** ,1998 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020 "Code of Massachusetts regulations, 1995" ,1995 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020 *"Code of Massachusetts regulations, 1996"* ,1996 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020 **Medicare and Medicaid Guide** ,1969 **Current Procedural Terminology** ,2010 **The Massachusetts register** ,1993 *Physicians Fee & Coding Guide* ,2011 *Ingenix Coding Lab 2* Ingenix,2002-11
