Match-Made Christmas Daria White, 2019-07-06 From the outside Adrienne has everything any woman could want However she knows what real happiness is and it isn't having a good job and a condominium Traveling home to her small Texas town for a friend's wedding Adrienne is hit from all sides with the happiness she hasn't found for herself her long married parents her joyful sister and brother in law and their two children and her childhood friends They all think she has it all all except one Trace has been something of a nemesis since grade school Always ready with a quip and happy to squabble over even the smallest thing Adrienne dreaded seeing him when she came back for the wedding So why does it seem like Trace is the only one who really knows her who sees her for who she is Losing his parents to a plane crash and his uncle to cancer Trace is not too keen on losing anyone else close to him If only she didn't skip town after graduation He didn't get a chance to tell her how he felt There was a reason behind all his teasing He loved their banters It meant spending time with her He could hear her voice Now she's back but her leaving is inevitable He'd have to risk his heart by asking her to stay He can't take another loss Working to save their friend's wedding brings Adrienne and Trace together like never before The clock is ticking and it's the worst blizzard Lakeshore Texas has seen in years Will these two match up their friends or end up matched themselves
