Altitude Associates

Best Cover Design Ideas:

The Best of Cover Design Altitude Associates, 2011-05-01 You can't judge a book by its cover or so the saying goes. We beg to differ. Each of us is exposed to several thousand messages a day. To be successful, covers not only have to stand out amongst all the clutter but they also need to make an instant connection with viewers. Designing covers isn't an easy task. It's a minefield of requirements, constraints, and subjective opinions, oftentimes resulting in what we like to call the design by committee pit of despair. Make the logo bigger. The CEO's daughter doesn't like orange. Change it. The sales team begins directing. Welcome to the land of mediocrity. We've all been there, and it requires ninja-like skills to traverse and emerge in one piece. Despite the challenges, some covers clearly rise to the top. You can't help but pick up the magazine, open the brochure, or buy the book. They draw you in through their cleverness, simplicity, or boldness. These are the covers contained herein. Of the more than 2,000 covers received, the authors had the dubious task of selecting about 350 to be featured in The Best of Cover Design. The chosen covers were selected based on their initial visual impact and effectiveness in conveying the message within. It is an inspiration feast for the eyes.

Manga Cover Design Hazel Monroe, AI, 2025-03-10 Manga Cover Design explores the art of creating impactful manga covers by focusing on core design principles. It emphasizes that a cover isn't just an aesthetic choice but a critical marketing tool. The book dissects how elements like typography, composition, and color theory work together to grab attention and communicate a manga's genre and tone. For example, the book highlights how specific fonts can instantly signal a manga's target audience or how color palettes influence emotional response. The book uniquely blends design theory with practical application. Moving from foundational design principles to specific elements, each section provides exercises and case studies to illustrate key concepts. By analyzing both successful and unsuccessful examples, the reader gains insight into how design choices impact perception. Ultimately, Manga Cover Design aims to empower artists and designers to create covers that capture the essence of their stories and resonate with readers.

The Manual of Ideas John Mihaljevic, 2013-08-01 Reveals the proprietary framework used by an exclusive community of top money managers and value investors in their never-ending quest for untapped investment ideas. Considered an indispensable source of cutting-edge research and ideas among the world's top investment firms and money managers, the journal The Manual of Ideas boasts a subscribers list that reads like a Who's Who of high finance. Written by that publication's managing editor and inspired by its mission to serve as an idea funnel for the world's top money managers, this book introduces you to a proven proprietary framework for finding, researching, analyzing, and implementing the best value investing opportunities. The next best thing to taking a peek under the hoods of some of the most prodigious brains in the business, it gives you uniquely direct access to the thought processes and investment strategies of such super-value investors as Warren Buffett, Seth Klarman, Glenn Greenberg, Guy Spier, and Joel Greenblatt. Written by the team behind one of the most read and talked-about sources of research and value investing ideas, The Manual of Ideas reviews more than twenty pre-qualified investment ideas.

and provides an original ranking methodology to help you zero in on the three to five most compelling investments Delivers a finely tuned proprietary investment framework previously available only to an elite group of TMI subscribers Step by step it walks you through a proven rigorous approach to finding researching analyzing and implementing worthy ideas **The American Stationer** ,1889 **Walden's Stationer and Printer** ,1904 Printing Art, an Illustrated Monthly Magazine ,1925 *Design; Devoted to the Decorative Arts* ,1923 **Etude Music Magazine** Theodore Presser,1917 Includes music The Etude ,1917 A monthly journal for the musician the music student and all music lovers The High School Teacher ,1927 Good Hardware ,1920 Profitable Advertising ,1902-12 The Writer ,1917 *Primary Education, Popular Educator* ,1927 **Log Home Design** ,2003-01 Log Home Design is the preferred trusted partner with readers in simplifying the process of becoming a log home owner With its exclusive focus on planning and design the magazine s friendly tone practical content and targeted advertising provide the essential tools consumers need from the crucial preliminary stages through the finishing touches of their dream log home **American Poetry Magazine** ,1919 **American Printer and Bookmaker** ,1896 **Annual Report** Decatur (Ill.).
