**Fix Your Eyes** Amy Gannett, 2021-10-05 We live in a polarized time Christians are quick to conceive of themselves either as theologically minded or worship minded either thinking Christians or feeling Christians The results are damaging theology without worship is muted stifled and cold and worship without theology is ungrounded unrooted and uninformed This is not the way it was meant to be Theology our study and knowledge of God should always lead to doxology our worship of Him Worship should always be rooted in theology When we study the nature and character of God as revealed in his Word we are invited to respond in the affectionate obedient discipleship of worship How can we keep our theology from being mere head knowledge How do we give our worship roots that will last By fixing our eyes on God Himself the object of our study and the object of our worship Fix Your Eyes is an invitation to understand core doctrines of the Christian faith and apply them in our daily worship of God It walks believers through key theological concepts and shows how each can be lived out in daily life

**Fruit of the Spirit** Mary Tucker, 2003-06-20 When we teach children about the fruit of the Spirit, we latch onto the idea of fruit: apples, oranges, grapes, as a way to simplify and illustrate the idea. The activities in this book will help children understand the fruit of the Spirit where it comes from, how they can demonstrate it in their everyday lives, and how Jesus set an example for demonstrating the fruit of the Spirit in His relationships with His Father and with other people. Activities include puzzles, coded messages, mini books, rhymes, songs, acrostics, crafts, object lessons, and various other creative teaching ideas. Each lesson begins with a Bible story of a person who demonstrated the fruit of the Spirit in his or her life. The stories are presented in a variety of creative ways to capture children's attention and hold it. The story is followed by a memory verse and a bulletin board idea. Each lesson includes 6-7 pages of Bible activities to involve children in discovering for themselves the importance of each fruit mentioned in Galatians 5:22-23. The lessons are based on the New International Version Bible. An answer key is provided at the back of the book.
