Buehler,2016
Rethinking Women s Health A Guide To Wellness is the first book to provide practical and integrative health solutions while addressing exactly what women can do to shift their culture from one that treats disease to one that cultivates wellness for women at every stage of life Women are beginning to understand that they must find and share their own solutions to health epidemics in order to achieve wellness rather than relying on an over industrialized health care system These stories hold the power to heal women The OB GYN is the primary doctor for females throughout their lives yet women are not getting answers to serious health concerns at doctors appointments They are swarming blogs chat rooms and Facebook support groups looking for alternative answers to health challenges and encouragement from an empathetic community as they move through the stages of womanhood Women are taking the responsibility for health back into their own hands As integrative health hero Dr Terry Wahls says in the Preface People are interested in wellness because the epidemic of poor health has not been stopped by increasing medications or medical interventions The groundswell of discovering diet and lifestyle health solutions is evident in everything from the popularity of Dr Oz to the latest best sellers Grain Brain The Blood Sugar Solution The Power of Now The purpose of this book is to provide current integrative resources for women dealing with female health puzzles and to simultaneously reshape the way our culture handles female health for the next generation The book is divided into three sections based on female archetypes The Maiden The Mother and The Wise Elder Each section addresses female health challenges present in specific phases of a woman s life within the cultural context that helps create them In an authentic and relatable voice every chapter provides difficult to find but effective health solutions and resources for female challenges while presenting cultural changes that could improve how women approach their health overall Feel Awesome Everyday Dr. Sarah Pigeon DACM LAc,2021-02-28 On a daily basis how would you say you feel Great Good Just okay Whether you feel amazing everyday or you re looking to feel a little better or improve your overall health and wellness join Dr Sarah as she easily explains how everyone can benefit from just a few changes to their daily routine Feel Awesome Everyday is a guided tour through our physical mental and spiritual well being If you take a few ideas from it this time you ll want to come

back and read it again as this is a book that will continue to speak to you through many phases of life
