

A photograph of a person standing on a dark, paved road. The person is wearing a white long-sleeved shirt, white pants, and dark shoes. They are standing with their back to the camera, looking towards a dense line of bare trees. The trees are silhouetted against a bright, overexposed sky. The road has a double yellow line running along its center. The overall atmosphere is somber and reflective.

Left Alone Again And Again:

Crossroads Cant Mary Elizabeth Grace,Seabrook,1997 Soul to Soul John Mundahl,2015-06-09 Poems prayers and stores from beloved spiritual teachers perfect for ending a yoga class or for personal inspiration We Met in Dreams Rowan McAllister,2017-02-27 In Victorian London during a prolonged and pernicious fog fantasy and reality are about to collide at least in one man s troubled mind A childhood fever left Arthur Middleton Viscount Campden seeing and hearing things no one else does afraid of the world outside and unable to function as a true peer of the realm To protect him from himself and to protect others from him he spends his days heavily medicated and locked in his rooms and his nights in darkness and solitude tormented by visions until a stranger appears This apparition is different Fox says he s a thief and not an entirely good sort of man yet he returns night after night to ease Arthur s loneliness without asking for anything in return Fox might be the key that sets Arthur free or he might deliver the final blow to Arthur s tenuous grasp on sanity Either way real or imaginary Arthur needs him too much to care Fox is only one of the many secrets and specters haunting Campden House and Arthur will have to face them all in order to live the life of his dreams Amazing Stories ,1926 **kathee's**

klassics kathee,2022-08-24 The author began writing songs and poems at an early age while growing up on a farm in rural Southeastern Kentucky Elementary and high school teachers encouraged her writing as did her college professors in later years Throughout her career this writing talent was effectively utilized for the benefit of both her own career and for her employers While material for the poetry often came from personal experiences and feelings poems were also written based on expressed feelings and experiences of other people Often friends and family would request that she write a special poem for them which would portray their own life experiences Some poems were just written from an idea that came to mind so rapidly that the words were written in shorthand to be transcribed later The author feels very blessed to have the writing talent and to have the opportunity to share this talent with others Works, ed. by G.K.
