### Learning English and Chinese as Foreign Languages Wen-Chuan

Lin,2019-09-19 Learning English and Chinese is becoming increasingly important to the prospects of young people This book compares English as a Foreign Language teaching in Taiwan with Chinese as a Foreign Language education in England in order to highlight how classroom activities are embedded within multiple settings including ethnic or other social group cultures family and community resources and school visions or goals The book illustrates how in Taiwan different ethnic groups recognise access and value English language learning to varying extents Its findings illuminate why some ethnic groups are highly motivated to learn English and are able to gain privileged economic positions in the job market In England access to Chinese is marked by social class and the book argues that this could augment an educational apartheid that already exists in language teaching in secondary schools thereby exacerbating existing inequality

Alvarez,Research and Education Association,P Beard,R Chasnov,1996 Many of REA s acclaimed Test Prep books are also available with our powerful interactive test preparation software called TESTware Each TESTware package includes one of

REA's comprehensive Test Prep books plus timed full length computerized tests that simulate the actual exams. By controlling the order of questions and enforcing time constraints, REA's TESTware makes test preparation more like the actual exams than ever. REA's TESTware automatically scores the user's performance, creates a detailed score report and suggests areas for further study. When compared with other test prep book and software packages, REA's TESTware offers a number of significant advantages. Each book is accompanied by both Windows and Macintosh software. A quick on screen tutorial gets the user started right away. On screen text is superior in quality. Graphics and mathematical symbols are sharp and clear and reading passages are easy to read and scroll. Pause button allows students to use study time efficiently. Students can suspend tests and resume at any time. TESTware displays a list of questions featuring their answered or unanswered status and allows students to mark questions for later review. TESTware has the ability to display multiple windows simultaneously allowing students to view a list of questions, exam directions, questions and explanations while testing. Unlimited toll free customer and technical support via phone, fax, Internet or America Online. In sum, REA's TESTware is extremely user friendly, easy to install, easy to learn, easy to use and exceptionally helpful.
