Exam Assistant Gay College Erotica English Edition:

Exam Assistant G.R. Richards, 1900 Josh Jones doesn't take his job all that seriously. It's a cushy gig as far as he's concerned. All he has to do is walk around and look menacing while a bunch of college students write their final exams. Today it's chemistry at eight in the morning, but that didn't stop Josh from drinking all last night. In fact, he came to work straight from the club. That's just how he rolls. But when Josh escorts a student to the men's room only to find the guy cheating on his chem final, will the dude be able to talk his way out of trouble? Or will Josh use his mouth for other purposes? Gay college erotica

Taking the Doctor's Medicine (First Time Gay Medical Exam Dominance Erotica) S M Partlowe, 2015-11-21 When repressed but curious Jake Howard gets caught looking at pictures in a fitness magazine, he might just die of shame, but that's only the beginning. Worried that he has developed unhealthy sexual urges while away at college, his conservative parents make him an appointment with Dr. Lowell. It only takes the handsome young doctor one look to recognize what it is that Jake really needs and how to get what he wants. At the same time, Reader Advisory: This story is for mature audiences only and features intensely erotic situations.

First Time Gay Experiences a highly erotic medical examination, anal sex, a dominant older man, and his increasingly submissive, receptive young patient. All characters are 18 or older. Excerpt: But his hands were still on me so that was close enough for the moment. They moved down my torso in exploratory motions. He pressed against my chest, slow but firm. His hands felt my shoulders and pecs, his thumbs pushing and caressing. A slight breath escaped my lips. My eyes were closed as I lay back, giving him access in spite of myself. I stiffened as I felt his hand move to my thigh, but my eyes remained shut. He was touching me where no one had ever touched me before. Was this allowed? Was this wrong? Was this supposed to be happening? It felt wrong and forbidden, and yet I had been told to be good and be obedient. This must be right. This must be what was supposed to happen, and I just didn't know how the world worked. There was so much I didn't know, and so much that Dr. Lowell could teach me. His touches seemed to be less and less evaluatory and more and more appreciative. This didn't feel like an exam any more. It felt like I opened my eyes. Notice: This title includes themes and passages that have been adapted from Jessica Whitethread's *The Doctor Takes Advantage* with full consent of the original author.

The Hands-On Exam (First Time Gay Public Medical Menage) S M Partlowe, 2017-05-18 Short on cash, Darren decides to prove to his disbelieving friends that volunteering as a model patient for medical school classes is an easy way to make some quick money. How hard can it be? But before he knows what's happening, there he is up on an exam table with a whole class watching as the demonstration exam starts to expose and titillate parts of him he planned on keeping covered. At first, he might not be sure whether he's mortified or turned on, but soon enough it's clear to everyone just exactly how it's all affecting him and what the

doctor s going to do about it Reader Advisory This story is for mature audiences only and features intensely erotic situations first time gay experiences multiple partners and rough group sex a highly erotic medical examination anal sex a dominant older man and the increasingly submissive receptive young patient All characters are 18 or older *Gay Classroom Discipline (First Time Gay Student/Teacher Discipline and Humiliation Erotica)* S M Partlowe,2015-06-12 Reader Advisory These stories are for mature audiences only and feature intensely erotic situations taboo teacher student relations bdsm play discipline spanking humiliation anal sex submissiveness and dominance All characters are 18 or older Gay Classroom Discipline contains three hot stories of power play first time gay experiences and school discipline Disciplining the Jock Peter Stanton has always found ways of using his good looks and athletic talents to get ahead and when he arrives in college it doesn t look like that s going to have to change But his easy ride runs out when his professor Alex Whitner notices him flirting with a female classmate only to copy her course work The handsome professor decides it s time to teach Peter a little personal responsibility and maybe show the testosterone charged young man just what someone who actually knows how to handle him looks like Turning the Tables on the Teacher If he s being honest Sam Rogers sometimes enjoys jerking around the college students in his classes but when he goes too far with his bad marks he finds out there s someone in his class who won t get pushed too far Jackson an undergraduate after completing his military service has discovered a dirty little secret that Sam will do anything to keep from getting out into the open He s willing to keep this secret between them but he wants to be sure that Sam still gets the punishment he so very much deserves Disciplined in the Dean s Office Jackson doesn t know why he started the rumor about Professor Vicarro his young and handsome politics professor Maybe it was a plea for attention or maybe it was just a way of making a long hidden fantasy become slightly real But whatever the reason the rumors have made their way to the Dean of Student Affairs Mr Iverson himself and when Jackson is called down to the office on a Friday afternoon he finds out the dean s heard a lot more Once past the initial mortification he can admit he s probably earned the spanking he ll get but did Mr Iverson really have to tell Professor Vicarro about the whole thing too Surely he ll find his own ways to settle accounts and all Jackson can do is wait and see which method will leave him more sore Excerpt He sits back and considers me for a long moment taking me in all of me I find myself suddenly a little bit self conscious but try to shake the momentary weakness out of my head What are you doing Peter he asks Why do you think it s appropriate to act this way I try to meet his gaze but I m finding it increasingly difficult Like what Professor You always trying to push people around to get what you want Do you think I m some kid who ll go weak kneed if you flex your muscles What are you talking about Professor I ask as innocently as I can mentally backpedaling as my heart begins to hammer He seems angry It s suddenly obvious to both of us that I don t have the courage to go through with my implied threat What am I talking about He asks incredulously No enough I ve wasted too much time trying to teach you like an adult and give you the benefit of the doubt I can see now that I was wrong from the beginning He stands up angry and strong and an inch or two taller than me as

he looks down at me He grabs me by my arm and pulls me to face him I look up at him unable to speak There isn't anything to say But there's something about the way he's looking at me almost like he knows he's supposed to be angry but he's responding in a different way instead almost like he's noticing me the way I noticed him along the pathway this morning I draw in a faltering breath Notice These titles include themes and passages that have been adapted from several works by Jessica Whitethread with full consent of the original author
