a way to atone for pre adolescent decisions that have lasting repercussions Along the way readers are able to experience growing up in Afghanistan in a single parent home a situation that bears remarkable similarities to many contemporary households One of the biggest struggles for Amir is learning to navigate the complex socioeconomic culture he faces growing up in Afghanistan as a member of the privileged class yet not feeling like a privileged member of his own family Hassan and his father Ali are servants yet at times Amir s relationship with them is more like that of family members And Amir s father Baba who does not consistently adhere to the tenets of his culture confuses rather than clarifies things for young Amir Many of the ruling class elite in Afghanistan view the world as black and white yet Amir identifies many shades of gray In addition to the issues affecting his personal life Amir must also contend with the instability of the Afghan political system in the 1970s During a crucial episode which takes place during an important kite flying tournament Amir decides not to act he decides not to confront bullies and aggressors when he has the chance and this conscious choice of inaction sets off a chain reaction that leads to guilt lies and betrayals Eventually because of the changing political climate Amir and his father are forced to flee Afghanistan Amir views coming to America as an opportunity to leave his past behind Although Amir and Baba toil to create a new life for themselves in the United States the past is unable to stay buried When it rears its ugly head Amir is forced to return to his homeland to face the demons and decisions of his youth with only a slim hope to make amends Ultimately *The Kite Runner* is a novel about relationships specifically the relationships between Amir and Hassan Baba Rahim Khan Soraya and Sohrab and how the complex relationships in our lives overlap and connect to make us the people we are *The Kite Runner* Khaled Hosseini,2013-01-01 Afghanistan 1975 Twelve year old Amir is desperate to win the local kite fighting tournament and his loyal friend Hassan promises to help him But neither of the boys can foresee what will happen to Hassan that afternoon an event that is to shatter their lives After the Russians invade and the family is forced to flee to America Amir realises that one day he must return to Afghanistan under Taliban rule to find the one thing that his new world cannot grant him redemption *The Kite Runner* Khaled Hosseini,2007 Traces the unlikely friendship of a wealthy Afghan youth and a servant s son in a tale that spans the final days of Afghanistan s monarchy through the atrocities of the present day *The Kite Runner* with Myreadinglab Access Code Khaled Hosseini,2013-12-01 *The Kite Runner (Play Script)* Matthew Spangler,2018-02-06 Coming to Broadway July 2022 The script for the stage production of Khaled Hosseini s first and internationally bestselling novel *The Kite Runner* as adapted by playwright Matthew Spangler The unforgettable heartbreaking story of the unlikely friendship between a wealthy boy and the son of his father s servant *The Kite Runner* is a beautifully crafted novel set in a country that is in the process of being destroyed Now adapted for the stage the story is about the power of reading the price of betrayal and the possibility of redemption and is an exploration of the influence of fathers over sons their love their sacrifices their lies A sweeping saga of family love and friendship told against the devastating backdrop of the history of Afghanistan over the last thirty years *The Kite Runner* is an unusual and powerful
