Oxford Textbook of Public Mental Health Dinesh Bhugra,Kamaldeep

Bhui,Samuel Yeung Shan Wong,Stephen E. Gilman,2018-09-13 Prevention of mental illness and mental health promotion

have often been ignored in the past both in undergraduate and postgraduate curricula Recently however there has been a

clear shift towards public mental health as a result of increasing scientific evidence that both these actions have a serious

potential to reduce the onset of illness and subsequent burden as a result of mental illness and related social economic and

political costs A clear distinction between prevention of mental illness and mental health promotion is critical Selective

prevention both at societal and individual level is an important way forward The Oxford Textbook of Public Mental Health

brings together the increasing interest in public mental health and the growing emphasis on the prevention of mental ill

health and promotion of well being into a single comprehensive textbook Comprising international experiences of mental

health promotion and mental well being chapters are supplemented with practical examples and illustrations to provide the

most relevant information succinctly This book will serve as an essential resource for mental and public health professionals
