Routledge Handbook of Deradicalisation and Disengagement Stig Jarle Hansen, Stian Lid, 2020-02-18 The Routledge Handbook of Deradicalisation and Disengagement offers an overview of the historical settings theoretical debates national approaches and practical strategies to deradicalisation and disengagement Radicalisation and violent extremism are major global challenges and as new and violent extremist groups and environments emerge there is an increasing need for knowledge about how individuals physically exit these movements and how to change their mindset Historically much of the focus on these topics has been highly securitised

and militarised by contrast this volume explores the need for more community based and soft approaches The handbook includes discussions from both right wing left wing political and religiously inspired deradicalisation processes The handbook is organised into three parts 1 definitions backgrounds and theories 2 actors 3 regional case studies This handbook will be of much interest to students researchers scholars and professionals of deradicalisation counterterrorism political violence political extremism security studies and international relations in general Indonesia's Ascent C. Roberts,A. Habir,L. Sebastian,2015-03-10 This volume explores the domestic and transnational considerations associated with Indonesia s ascent referring to its rise in terms of hard and soft power and its likely trajectory in the future The range of contributors analyse economic resources religious harmony security regional relations leadership and foreign policy *The Routledge International Handbook of Life and Values Education in Asia* John Chi-Kin Lee,Kerry J Kennedy,2024-06-28 This Handbook provides a comprehensive look at the educational scope of life and values that characterize 21st century Asia as well as those values shared across cultures Some values are deeply resonant with the region s past while others reflect modernity and the new contexts in which Asian societies find themselves Exploring these values of different types and the way they are constructed in Eastern and Western contexts the contributors delve into the diversity of religious moral and social education to promote greater understanding across cultures While a range of values is identified here there is no single set of values that can be applied to all people in all contexts The time has long gone even for single societies when values can be imposed Yet this Handbook emphasizes both the extent and importance of values to individuals and their societies how they respond to these values may provide the key to better and more caring societies and to better lives for all Academics and teachers will find this Handbook resourceful because it raises important theoretical issues related to social values and their formation in distinctive contexts and provides novel insights into the diverse educational landscape in Asia Policymakers and educators will also find this text helpful in learning to think about new ways to improve the quality of people s lives **Ethnographies of U.S. Empire** Carole McGranahan,John F. Collins,2018-08-02 How do we live in and with empire The contributors to *Ethnographies of U S Empire* pursue this question by examining empire as an unequally shared present Here empire stands as an entrenched if often invisible part of everyday life central to making and remaking a world in which it is too often presented as an aberration rather than as a structuring condition This volume presents scholarship from across U S imperial formations settler colonialism overseas territories communities impacted by U S military action or political intervention Cold War alliances and fissures and most recently new forms of U S empire after 9 11 From the Mohawk Nation Korea and the Philippines to Iraq and the hills of New Jersey the contributors show how a methodological and theoretical commitment to ethnography sharpens all of our understandings of the novel and timeworn ways people live thrive and resist in the imperial present Contributors Kevin K Birth Joe Bryan John F Collins Jean Dennison Erin Fitz Henry Adriana Mar a Garriga L pez Ol via Maria Gomes da Cunha Matthew Gutmann Ju Hui Judy Han J K haulani Kauanui Eleana Kim Heonik Kwon Soo Ah Kwon
