

## JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

[Adapted from *The Juice*, January 2020]

### QUESTIONS: TEXT F

- 5.1 Refer to line 1.  
Provide a synonymous phrase for 'on many fronts'. (1)
- 5.2 What is the function of the hyphen in 're-evaluate' (line 2)? (1)
- 5.3 Rewrite the following sentence in the passive voice.  
'If something or someone doesn't bring you joy, it's pretty pointless carrying on with it' (lines 2–3). (1)
- 5.4 Remove the redundancy in paragraph 1. (1)

Kirby,Laura Shepherd,2024-04-02 The Women Peace and Security WPS agenda is celebrated as a landmark global framework for achieving gender equality in peace and security governance Its power is visible in two decades of United Nations resolutions national action plans regional initiatives and countless activist academic and philanthropic projects Yet despite this vitality it is haunted by failure as a lack of political will and stubborn patriarchal resistance frustrate its promise This book offers a groundbreaking critical account of the WPS agenda exploring its evolution in relation to the wider politics of global governance and feminism Paul Kirby and Laura J Shepherd argue that WPS is not a

settled cohesive policy but a field in flux defined and disrupted by a growing number of national supranational subnational and transnational agents who in turn act on an expanding catalogue of threats from climate change to homophobia challenging traditional boundaries of peace and security Kirby and Shepherd reconceptualize WPS as a policy ecosystem tracing interaction and contestation around the agenda across levels from the UN Security Council to military alliances to feminist activists They combine analysis of a vast dataset of policy documents with key informant interviews and close readings of diplomacy statecraft the politics of indigeneity counterinsurgency antimilitarism human rights and the arms trade across the first twenty years of WPS Far reaching and incisive Governing the Feminist Peace poses a provocative question What if we abandoned the idea of the WPS agenda as a unified political project altogether **Second Language**

**Pronunciation** Ubiratã Kickhöfel Alves, Jeniffer Imaregna Alcantara de Albuquerque, 2022-12-19 In the field of second language L2 acquisition the number of studies focusing on L2 pronunciation instruction and perceptual production training has increased as new classroom methodologies have been proposed and new goals for L2 pronunciation have been set This book brings together different approaches to L2 pronunciation research in the classroom or in the language laboratory 13 chapters written by well known researchers focusing on a variety of first and target languages are divided into four parts Pronunciation development and intelligibility implications for teaching and training studies L2 pronunciation teaching L2 pronunciation training implications for the classroom and Pronunciation in the laboratory High Variability Phonetic Training Intended for researchers in the fields of second language acquisition phonetics phonology psycholinguistics speech therapies speech technology as well as second language teaching this book not only summarizes the current research questions on L2 pronunciation teaching and training but also predicts future scenarios for both researchers and practitioners in the field

Royal Commission on Shipping Rings, 1909 *On the Question of Identity in the Novel "Wide Sargasso Sea" of Jean Rhys* Julia Straub, 2019-04-30 Seminar paper from the year 2017 in the subject English Language and Literature Studies Comparative Literature grade 2 7 University of Constance course British and American Studies language English abstract This work focuses on the question of identity in the novel Wide Sargasso Sea Antoinette the female protagonist of Jean Rhys novel Wide Sargasso Sea is struggling with those questions of her identity all her life As a Creole girl who lives in Jamaica during post colonialism she finds herself caught between two identities not knowing where she belongs On the one

hand there is the black community which she knows and grows up with on the other hand the white community which her mother tries to be a part of and forces Antoinette to fit into as well This life between two contrasting cultures forces Antoinette into a situation of confusion and doubt which makes her question not only where she belongs but if she belongs at all It drives her into a crisis which she is not able to escape Jean Rhys published her novel in 1966 *Wide Sargasso Sea* tells the story of Antoinette Cosway who is also known under the name of Bertha a character of Charlotte Brontë's novel *Jane Eyre* In *Wide Sargasso Sea* Rhys is giving Bertha Antoinette a story and a reason why she became mad in the first place The story starts in her childhood and moves on to the marriage to Mr Rochester The last part is set when she is already imprisoned by her husband and is setting the house on fire which accords with the story told in *Jane Eyre* For the background of the novel it is important to know that Rhys herself grew up in a situation like Antoinette's She as well had troubles with identifying herself when she grew up So Rhys shares part of Antoinette's history which is probably why she was that interested in telling her story which is completely uncared for by Brontë
