*The Breaking Point* Daphne Du Maurier,2013-12-17 From the bestselling author of *Rebecca* Her peerless craftsmanship her eerie sense of the macabre her gift for sheer story telling come to full fruition Kirkus Reviews In this collection of suspenseful tales in which fantasies murderous dreams and half forgotten worlds are exposed Daphne du Maurier explores the boundaries of reality and imagination Her characters are caught at those moments when the delicate link between reason and emotion has been stretched to the breaking point Often chilling sometimes poignant these stories display the full range of Daphne du Maurier s considerable talent The appeal of romance and the clash of highly charged emotions New York Herald Tribune One of the last century s most original literary talents Daily Telegraph She wrote exciting plots a writer of fearless originality The Guardian **The Double in Daphne Maurier's "Rebecca" and Angela Carter's "The Magic Toyshop"** Linda Schädler,2014-06-18 Essay from the year 2012 in the subject English Language and Literature Studies

Literature grade 1 0 Swansea University Department of English Language and Literature course Uncanny Places Gender and the Fantastic language English abstract Doubling is the appearance of persons who have to be regarded as identical because they look alike Freud 2003 14 and according to Freud this can create an uncanny effect because we are faced with the reality of something that we have until now considered imaginary Freud 2003 150 However the trope of the double has far more potential than just sending shivers down our spines its appearance might indeed raise and confront us with important questions concerning our own identity and subjectivity I would like to exemplify this by comparing the importance of doppelganger figures in Daphne du Maurier s *Rebecca* and Angela Carter s *The Magic Toyshop* in relation to gender identity and would like to investigate in particular how the trope of the double phantom might call into question gender role expectations shed light on their constructedness and ultimately play an important role in overcoming social and sexual limitations

Rebecca Daphne Du Maurier,1996 A Study Guide for Daphne du Maurier's *Rebecca* Gale, Cengage Learning,2015-09-24 Franz Waxman's *Rebecca* David Neumeyer,Nathan Platte,2011-12-06 Upon his arrival in Hollywood

Alfred Hitchcock began work on his first American film an adaptation of Daphne du Maurier's best selling novel. Produced by David O Selznick and featuring compelling performances by Laurence Olivier Joan Fontaine and Judith Anderson *Rebecca* became one of Hitchcock's most successful films. It was nominated for eleven Academy Awards and received the Oscar for Best Picture the only Hitchcock work to be so honored. Without question one of the reasons for the film's success is its ninety minutes of dramatic musical underscoring by Franz Waxman. In *Rebecca A Film Score Guide* David Neumeyer and Nathan Platte situate the score for this classic work within the context of the composer's life and career. Beginning with Waxman's early training and professional experience as a jazz musician and film music arranger/orchestrator in Berlin the authors also recount the composer's work in the music department at MGM between 1936 and 1942. During this period Waxman was loaned out to Selznick International Pictures and wrote the music for *Rebecca*. Through manuscript and archival research Neumeyer and Platte untangle the threads of the film's complicated music production process which was strongly influenced by Selznick's habit of micromanaging music choices and placement. This volume concludes with a thematic analysis and reading of the score that incorporates commentary on scenes and cues. The first book devoted to the music of a single film by this great composer from Hollywood's golden age *Franz Waxman's Rebecca A Film Score Guide* will be of interest to musicologists and film scholars as well as fans of Alfred Hitchcock and Franz Waxman.
