

### Factors of Production

Land, Capital, Labor, and Entrepreneurship

Land is the natural resources used in the production of goods and services. Capital includes anything produced by humans that is used in the production of goods and services. Labor is the work done by people to produce goods and services. Entrepreneurship is the risk-taking and creative ability to start a business and produce goods and services.

The free enterprise system is a type of economic system. Unlike a communist system, there is no central planning. Instead, the government does not control the economy. Instead, the government creates rules and regulations to protect consumers and encourage competition. The idea is that the market should be allowed to operate freely, protecting consumers, money, and resources will be handled by the government.

**Entrepreneurship**

The free enterprise system allows entrepreneurs to start their own business. The most common type of entrepreneurs are self-employed individuals that do not work for someone else. Entrepreneurs are given the ability to make decisions about their business. This allows them to be innovative and creative. Entrepreneurs are often seen as risk-takers, as they are willing to take risks to succeed.

### Understanding Economics

The process of creating products and services for production. Consumption refers to the process of purchasing goods and services. Supply refers to the process of producing goods and services. Demand refers to the process of wanting goods and services. Price is the cost of a good or service.

## Enterprise For 5th Grade:

**The Enterprise of Education** Cynthia Szymanski Sunal, Kagendo Mutua, 2007-08-16 This book examines the impact of political, sociocultural and economic changes on education in Africa, the Caribbean and the Middle East. It addresses global issues, trends and challenges in education, focusing on inclusivity, social structures, research methodologies, curriculum creation and parental roles.

**The Industrial Enterprise**, 1919 *Catalogue and Price List of the Enterprise Manufacturing Company, Manufacturers of Artificial Fish Baits and Anglers' Specialties* Enterprise Manufacturing Company, 1904 *Report* Oregon. State Board of Dental Examiners, 1925 *A Fragile Enterprise* Nancy Brigham, 2019-04-30 *A Fragile Enterprise* recounts true stories from the front lines of the struggle between the entitled few and the marginalized many in America's public schools. In this book, you'll learn about the national narrative of education from the viewpoint of students and their families. You'll discover that despite the massive expenditure of public funds, large-scale national education improvement efforts have largely failed. That failing schools seldom have the resources and skills to implement the programs that are thrust upon them. That the charter school solution leaves behind the students who need help the most. How seldom families are involved in meaningful ways in the education of their children. What the best teachers do and why they do it that way.
