Knitting Out of Africa Marianne Isager, 2013-04-15 Beautiful and historic African carpets, baskets, and other textiles provide the design inspiration for these 16 sophisticated knitted cardigans, pullovers, and sweater vests. Intended for seasoned knitters, these projects use domino double knitting, entrelac intarsia, and stranded two-color techniques worked in fingering weight yarns. The Shoowa Vest, the African Domino Pullover, and the Arrowheads Cropped Pullover show off fancy stitching, while other designs feature colors borrowed from the mud-dried fabrics of Mali, the block patterns of Ghana, or motifs from Nigeria, Sierra Leone, Zaire, and Zimbabwe. African animals decorate the Giraffe Vest and Zebra Cardigan, and elsewhere leaping antelope and birds in flight are used in repeating patterns. Full instructions and charted patterns for at least two adult sizes are provided for each design, and high-quality photographs of the finished pieces showcase these classic additions to any wardrobe.

Only Yoking Olga Putano, 2023-04-04 Knit beautiful top-down sweaters with 12 different decorative yokes. Classic yoke sweaters never go out of style; a yoke is the perfect canvas for textured and colorwork patterns, and this collection of knitting patterns features designs for 12 different sweaters which will have you reaching for your needles. Yoke sweaters are practical and beautiful; a colorwork yoke can take a simple knitted sweater to another level by introducing a decorative element at the neckline of the jumper. Knitting pattern designer and author Olga Putano has designed three basic sweater patterns for different yarn weights: DK fingering (also known as sock or 4ply) and worsted aran, so you can choose your preferred style. And then there are patterns for four different yoke designs for each of the basic sweaters. The sweater yoke designs feature stunning but simple colourwork, so you can get really creative with your favourite

colour palette The designs look intricate but they are all worked in two colours so they are easier than they look The patterns only use two colours in a row so they are suitable for beginner to intermediate knitters but exciting enough to appeal to experienced knitters The textured yoke designs are a subtle way to add interest around the neckline with simple cabling techniques and there are step by step instructions for cable stitch as well as any other special stitches and techniques All the sweaters in this collection are knitted top down and in the round which means there is no sewing up to do at the end The whole yoke section is knitted in one piece increasing as you go until it reaches the correct circumference and then the body and sleeves are knitted in the round separately This means that you can adjust the length of the sweater to get the perfect fit by trying it on as you go Fit is important when it comes to sweater knitting and all the patterns have been graded to a wide range of sizes up to a size 68 chest Knitting in the round has other benefits too you can't drop stitches the weight of the stitches can be more evenly distributed making it a more comfortable way to knit for some people and when doing stockinette stocking stitch there is no need to purl

Seed Stitch Rosemary Drysdale, 2017 The seed stitch is still one of the simplest and most popular in knitting yet few designers have adapted its rich texture or combined it with other techniques until now In her groundbreaking guide Rosemary Drysdale uses the seed stitch as never before incorporating it into colorwork cabling geometric patterns and more Twenty five gorgeous projects have a modern flair and include pillows bags cowls and sweaters
