Little Red Hen Makes A Pizza Activities:

Two Books Are Better Than One! Shari Frost, 2016-06-03 Today's early literacy programs are more demanding than ever. No longer is it sufficient to teach letters, letter sounds, sight words, and simple texts in kindergarten through second grade. Children are expected to read and comprehend texts in a variety of genres with increasing complexity. Then they must integrate the ideas and concepts from those texts into their own writing. *Two Books are Better Than One: Reading and Writing and Talking and Drawing Across Texts in K-2* helps teachers meet those demands. Each chapter contains an anchor lesson focused on a different way of connecting texts, including by theme, characters, perspective, structure, or genre. The lessons feature research-based and common core-aligned strategies: interactive read-alouds, shared reading and writing, scaffolded small group reading, accountable talk, close reading, and opinion narrative and explanatory writing. Each anchor lesson features two high-quality children's books, and each chapter is rounded out with a list of other recommended book pairs to support you in creating your own lessons.

The Little Red Hen (Makes a Pizza) Philemon Sturges, 1999-09-01 Kids love pizza, and they will love this cleverly illustrated, up-to-date retelling of the traditional Little Red Hen story. In this new version, the intrepid fowl spies a can of tomato sauce in her cupboard and knows it's time to make a lovely little pizza. Children will enjoy following the process of making a pizza as the Little Red Hen, who can get no help from the duck, the dog, or the cat, buys an appropriate pan, kneads the dough, cuts and chops vegetables, and other stuff for a fabulous topping, and bakes a humongous pizza. It was lovely, but it wasn't little. Despite many a "Not I," the duck, the dog, and the cat finally do help out of course in ways that will surprise and delight young readers. Amy Walrod's exuberant, witty cut-paper art combines interesting composition with humorous expression and detail to create a world that gives a special accent to the offbeat adaptation.
