

# The Giver

by Lois Lowry

1. In the beginning of the novel, Jonas remembered a time when he was "frightened" because a jet went overhead. When it happened, Jonas dropped his book and immediately went into his house. Why did he drop his book and go immediately into the house?

The speaker told him no speakers throughout the community.

2. When is Being "bereaved" not considered to be a bad thing?

When you are old it is considered a celebration.

3. Why does Jonas have to take a pill each day?

He is starting to get "Sensations" (puberty) and feelings, real feelings, are prohibited.

4. When Jonas is chosen to be the next Receiver, the chief elder says that he has the "capacity to see beyond". What does this mean?

Jonas is beginning to see the colour red, when everyone else sees just shades.

5. Before you are a Server, you have a jacket that features in the back (buttons in the back). Why?

It teaches interdependence, makes you work with others and help others.

6. How does the Giver transmit memories to Jonas?

He simply places his hands on Jonas' back and calls up the memory he wants to transmit to him.

7. Why is "The Receiver" such an important job?

The receiver knows the history of the world and is able to make informed decisions for the community based on past events. He also holds all the memories of gain and suffering so that no one else must endure it.
