**A Design Guide for Home Safety**, 1972      **Your Key to A Successful Home Financing** Secrets of a loan officer, 2010-06-17 Today's housing market offers exceptional opportunities and incentives to achieve the American dream. Your Key to a Successful Home Financing presents unique resources that will help you understand and simplify the loan process, identify available mortgage programs to meet your goals and enjoy the advantages of being a homeowner. This book will also prepare you with the essentials for a loan approval and tips on how to improve your credit. I'll describe fundamental benefits of using government loans such as buying with no money down or getting additional funds to repair your home and options to receive down payment assistance from your city, county or state. I'll show you how to save money by obtaining a seller credit towards closing costs, reduce your interest rate and its cost and obtain federal and state tax credits. In addition, you will learn ways to buy foreclosures with low down payment. As a mortgage consultant, I strongly believe in full disclosure to my clients. I'll describe important key documents that need to be reviewed before looking for a house and at the closing of your transaction. I was motivated to write this book because I frequently witness loan officers failing to provide existing programs and resources to homebuyers. Ultimately, this lack of expertise or ability can be detrimental at the moment of purchasing your home. Throughout Your Key to a Successful Home Financing, outstanding online support for homebuyers and homeowners will be listed and you will discover secrets banks may not necessarily want you to know. Its chapters were designed for readers that don't have time to study vague and lengthy narratives about financing. It provides direct, current and crucial advice to find the most appropriate home loan program to fit your needs because now it's a great time to take action. **The Business of Flipping Homes** William Bronchick, Robert Dahlstrom, 2017-02-07 Whether you're looking to make a career out of flipping homes or see it as a part-time venture, you can make fast money legitimately. Before you get started, you need to know the right way to flip regardless of local market conditions and current economic trends. There's more to flipping than redoing a kitchen or staging a property. Every deal is different and each investor must have a clear business strategy. Expert investors William Bronchick and Robert Dahlstrom have learned how to be successful in all types of markets and now they share their secrets with you. From the bestselling authors of Flipping Properties, which brought the term flipping to American households, The Business of Flipping Homes is an A to Z guide for both new and seasoned investors. The book explains what flipping is and isn't, goes beyond the investment of a basic single family home and demonstrates how to find, renovate and sell properties using proven methods. With more than 40 years combined experience in buying and selling investment properties, Bronchick and Dahlstrom explain how to avoid many of the pitfalls and issues that could drain your funds and come back to haunt you. They give systematic approaches on long-term planning including how to find and work with partners, structure a business and utilize your specific talents, resources and aspirations in realistic ways. You'll learn how to figure out timelines, work with real estate agents, understand the paperwork
