

O Level Principles of Accounts (7110)

Unit 8: Clubs and Societies and Incomplete Records

Recommended Prior Knowledge

Students should have a thorough understanding of the format of financial statements before starting this unit. They will also find it helpful to have excellent double entry skills and good understanding of cash books, control accounts and the typical adjustments which feature in financial statements.

Context

At this stage of their studies, students should be able to prepare financial statements of a variety of organisations beginning with a trial balance. This unit challenges the understanding of candidates by looking at a variety of situations where a trial balance is unavailable.

Outline

Although clubs and societies are a form of organisation and incomplete records describe a situation of limited information, the skills required are similar. Students will need to calculate amounts and reconstruct accounts and other statements to prepare relevant information to include in financial statements.
