

Kensington Valley Hockey Association
Pee Wee AA Hockey Club

THANK YOU for trying out for the Kensington Valley Pee Wee AA 2007-2008 Fall Travel Hockey Team!

Unfortunately, we are faced with the tough decision of picking only a handful of players. The coaching staff has made every effort to make the tryouts a fair and enjoyable experience for every child and parent. We understand that not making a team is a disappointing time in our lives. It is also a time to hold your head high and to be proud of your accomplishments. Every child worked very hard and displayed great admiration for this outstanding sport!

Though you have not been selected for this Fall team, we encourage you to try again in the Spring. We want to remain friends and would like to see how your upcoming season progresses. If you see one of the coaches, other players or parents, let them know how you are doing. We honestly do care for all of these fine kids!

Please continue to practice and play to the best of your abilities. Work on the things that will make you a better hockey player. The coaches had some difficult decisions this tryout and it is your job to put them to the test in the Spring!

We appreciate all of the parents who have helped us out and have become our friends, thank you very much!

Best of Luck,

Tom Miller
Head Coach

Essentials of Sports Law Glenn M. Wong, 2010-08-18 In this thoroughly revised Fourth Edition Glenn Wong provides a comprehensive review of the various sports law issues facing professional intercollegiate Olympic high school youth and adult recreational sports. Major topics include tort liability, contracts, waivers, antitrust law, labor law, constitutional law, gender discrimination, drug testing, intellectual property law, broadcasting laws pertaining to sports agents, business and employment law, Internet gambling, and athletes with disabilities. Significant additions here include new court decisions, agreements, contracts, and collective bargaining agreements, and legislation federal, state, association, and institutional rules and regulations. Discussions of legal concepts are supplemented with summaries and excerpts from hundreds of actual sports cases. Wong cites a variety of books, law review articles, newspaper articles, and Web links for those requiring further information on particular topics. This text professional guide serves as an invaluable resource to those involved or studying to become involved in the vast industry of sports.

The Resilient Coder: A Voyage of Logic, Life, and Learning Aditya Raj (Brooklyn), The Resilient Coder. An voyage of Logic, Life and Learning is a transformative journey that blends the worlds of technology, personal growth, and resilience. Written by Aditya Raj, also known as Brooklyn, this book serves as a guide for anyone navigating the complexities of life, coding, and the pursuit of excellence in a rapidly evolving world. The book draws inspiration from ancient wisdom and modern technology, offering practical insights and philosophical teachings to cultivate resilience in both life and work. With an emphasis on coding, problem solving, and emotional resilience, it presents the intersection of logic and creativity, demonstrating how critical thinking, perseverance, and self-reflection can shape personal and professional growth. Through 9 thoughtfully structured chapters, readers will explore the power of conviction, the role of logical thinking in overcoming challenges, and how the teachings from the Bhagavad Gita can be applied to modern-day challenges in technology and leadership. The narrative weaves together the philosophical insights of ancient texts with the real-world demands of the tech industry, making it relatable and accessible for readers at all stages of their career or personal journey. Whether you are a budding programmer, a seasoned professional, or someone simply seeking to cultivate emotional resilience, The Resilient Coder offers valuable lessons on how to bounce back from failures, maintain mental toughness, and stay focused amidst adversity. It explores how to develop self-awareness, practice mindfulness, and build habits that contribute to continuous learning and growth. By combining storytelling, practical advice, and the wisdom of both the Bhagavad Gita and contemporary tech leaders, The Resilient Coder encourages readers to reflect on their personal odyssey of resilience. It aims to inspire a mindset that sees setbacks as opportunities and challenges as stepping stones toward success, fostering an unwavering commitment to personal and professional mastery. This book is a powerful resource for those ready to embark on their own journey of growth, transformation, and self-discovery.
