*Holy Cow* David Duchovny, 2015      *Holy Cow* Sarah Macdonald, 2002 A popular Australian radio correspondent humorously recounts her reluctant relocation to New Delhi India where a dangerous illness propelled her to explore the region's culture and spirituality in order to discover its virtues as well as a greater understanding about life and death Original  
**Holy Cow, I Sure Do Love You!** Amy Krouse Rosenthal, 2016-09-20 An illustrated love note filled with moo'ing declarations by one adorable cow from the New York Times bestselling duo There are many ways to say I love you This cow utters them all With playful bovine puns and simple sophisticated illustrations the bestselling creators of *I Wish You More* and *Duck Rabbit* present a message of love that will resonate with readers of all ages A wonderful pick me up for an adult or a rhyming read aloud for a child *Holy Cow I Sure Do Love You* expresses feelings of affection and appreciation all conveyed with Amy Krouse Rosenthal and Tom Lichtenheld's signature lighthearted humor  
**The Myth of the Holy Cow** D. N. Jha, 2020-05-05 Hugely controversial upon its publication in India this book has already been banned by the Hyderabad Civil Court and the author's life has been threatened Jha argues against the historical sanctity of the cow in India in an illuminating response to the prevailing attitudes about beef that have been fiercely supported by the current Hindu right wing government and the fundamentalist groups backing it  
*Holy Cow* Hope Egan, 2012      *The Holy Cow & Other Indian Stories* Japanese Tarun Chopra, 2007-01-01 This book has been in the making for nearly decades In 1982 When I returned from Spain life as a student burning a hole in my parent's pocket came to an abrupt end and the stark reality of making ends meet become the order of the day And all I had besides best wishes of family and friends was a working knowledge of Spanish

Fortunately this asset was worth its weight in gold for it is my karma to unveil the secrets of the land of my birth to travelers from across the planet. Not that I was the last world on the wonderful melange that is India. Indeed as I got to know my own country I discovered there are a thousand Indias and the quest to know each of them has kept me on the move ever since. And every time a visitor asks a simple question I am amazed that there are so many things about this wonderful land that not only baffle, amuse, horrify and attract foreigners. In fact even a lifetime of study is not enough to produce a single volume which answers all questions. India has a long tradition of transmitting knowledge by way of parables and stories. In this small book I have attempted to tell the reader through stories and pictures what India its historical tradition religious customs and societal structure is all about. So when you return home and your friends want to ask you why cows are worshipped in India why love is expressed in marble as in the Taj Mahal why it is a boon to die and be cremated on the ghats at Varanasi or indeed why the temples at Khajuraho are adorned with erotic art this book has the answers. Of course if you want to know more you can always ask more questions. Or wait for my next Book [The Holy Cow and Other Indian Stories](#) Tarun Chopra, 2000. An enchanting collection of tales that dive deep into the heart of Indian culture and traditions providing insights into various beliefs philosophies and ideologies followed and practiced in India for generations. This book with vividly narrated stories will give you answers to questions like why cows roaming on the streets are considered sacred animals what is the magic behind love expressed through marbles as in the Taj Mahal why the temples of Khajuraho are adorned with erotic art why cremation at Varanasi is considered pious and many more such questions about our rich cultural heritage. This is a special edition for French readers to ponder the beauty of Indian traditions. Unravelling the secrets of Indian cultural heritage. Enthralling narrations on Indian culture. Filled with eye catching photographs and images. A book with educational and informative value. A book to quench your curiosity about Indian traditions. Perfect addition to the library.

**Holy Cow: Memo Books (Set of 3 Notebooks).** Amy Krouse Rosenthal, 2016. *About Time* David Duchovny, 2025-09-02. From acclaimed author actor and singer songwriter David Duchovny a deeply personal existential and insightful debut poetry collection. DAVID DUCHOVNY'S SEVENTH PUBLISHED AND FIRST POETIC WORK covers a range of intimate themes and topics including love the loss of love parenting Duchovny's own parents in particular his father who looms large throughout the work alienation and other emotional quandaries. Fans of Duchovny's fiction will recognize the insightful and clever play of words that in this new form distill to an emotionally impactful portrayal of what the author holds most dear. Duchovny's approach to poetry is beautifully and typically humorously encapsulated in his introduction to the work in which he writes Poetry is not useful. And that is exactly why we need it. It reminds us of two important things our ultimate lack of agency unpopular to say I know and our inability to say anything plain our inability to capture what it means to be human with the imperfect tool of words we come face to face with our shadow selves for in the end we will all die and be forgotten and come away with nothing nothing in the way of utility anyway no talking points no bullet points no propaganda no resolutions no

policy no knowledge If anything maybe we remember a few lines something like a pop song from the collective unconscious something like wisdom You see I wanted to say it plain but out comes that torrent of modifiers and adjustments denials double negatives shading stabs at wit backpedaling playing at capturing the lightning Maybe this time Maybe that s what a poem is that glorious feeling of Maybe this time I ll get it right If that s the case it seems a worthy enterprise to me You see I got somewhere but the way back is unclear that s a good enough definition of poetry for now No it s not Duchovny s efforts at achieving such clarity range in this collection from laser sharp single sentence poems to emotionally sweeping ruminations With About Time perhaps his most personal work to date Duchovny continues his journey as one of the most prolific creators of his generation Front cover photo Stefan Sappert O Holy Cow!
