Pathfinder Questions Robert Colacurcio, 2014-04-04 What resources do thoughtful parents fall back on when the faith based religious practices of their youth no longer satisfy their own spiritual needs and yet they truly want to raise their children with a foundation in some faith based practice Thoughtful parents struggle with this basic question how do we raise our children to have a solid religious footing The suggestion for guidance made in this book is that really good questions can be the resource parents are looking for Pathfinder questions are the really good questions that not only illuminate the way to go they actually help create the way to go Pathfinder questions are one of the resources from the spiritual technology toolkit of the Buddha This aspect of the Buddhist methodology can be applied to the practice of any faith based religion without the least conflict or compromise whatsoever Pathfinder questions are like a lighthouse beacon They offer guidance without coercion The path is illuminated the obstacles are made clear but the choice is like the boat captain s whether to sail ahead full speed or not If the reader chooses to ask the pathfinder questions as a way to guide their children they will be choosing to sail full speed ahead

The Gospel of Yes Mike Glenn, 2012-06-05 God would like a word with you What you believe about God affects the way you approach life often in ways you don t realize Are you convinced that God limits you or liberates you Is he more interested in correcting you or connecting with you And when you hit a rough spot and start looking for help do you believe God is against you or on your side In The Gospel of Yes Mike Glenn reveals God s most powerful word which opens our eyes to everything he does That word is YES God said yes to creating a world for us to live in and yes to inviting us into a relationship with him No matter what we face in life the best way to live is captured in one word yes When you live in God s yes you find your identity your true value and your unique purpose on earth You can stop trying to be someone else and enjoy being yourself as you join with God in doing the work of his kingdom When God looks at you he always says yes It s time to live like you know it Includes Discussion Questions for Personal and Group Use *Gifted Hands* Seymour I. Schwartz, 2009 In this sweeping history of American surgical practice a renowned surgeon describes how surgery in this country has advanced from the comparatively crude practices of pioneering physicians in the colonial era to its current level of preeminence
