Unconditional Love Curt Young, Frank Snyder, 2022-12-27 The authors collaborated in the book entitled *Unconditional Love* in an effort to show that as love develops between two people, God has His hand in nurturing these events. We make choices daily, some good and some not so good, that can stay with us for a lifetime. God has a way of interceding with these choices if you only let Him. The love between two people cannot be planned or even predicted. The sacrifice that each person must give and all the events that occur during the development is only a part of the wonderment of the true meaning of unconditional love. To be able to give up everything in life to do what is best for another person is truly a godly intercession. We look to the heavens and realize that God interceded to lead us in making the right decision. Trusting God in finding the right person to share your life with is a prayer that both Curt and Frank wish for you, resulting in you being able to say that you also have found unconditional love.
