Population Censuses and Other Official Demographic Statistics of British Africa Library of Congress. Census Library Project,1950 **The Making of Australia's Gold Coast** Alan J. Blackman,2024-08-01 Blackman draws on original material and the work of many earlier researchers to paint a verbal picture of the evolution of a remarkable city In an easy to read style he highlights some of the conditions key events and individuals that have led to the development of Australia s Gold Coast The story of the City of Gold Coast is more than just any story It describes the growth of Australia s sixth largest city the nation s most populous city that is not a state capital A city of more than 600 000 it has grown at a rate of four per cent yearly since the 1950s It sustains a growth rate well ahead of its infrastructure and its economy s capacity to provide full time employment to the many new arrivals A city heavily reliant on tourism and construction it is regularly subjected to the boom and bust of a fickle world economy But it continues to expand and evolve And like so many coastal towns worldwide this Gold Coast may soon be threatened by the tides This book is essential for students researchers anyone interested in industry and urban development and those seeking to understand the city where they live work and play **1960**
