**Understanding Transgender Identities** James K. Beilby,Paul Rhodes Eddy,2019-11-05 One of the most pressing issues facing the evangelical church today involves dramatic shifts in our culture's perceptions regarding human sexuality. While homosexuality and same sex marriage have been at the forefront there is a new cultural awareness of sexual diversity and gender dysphoria. The transgender phenomenon has become a high profile battleground issue in the culture wars. This book offers a full scale dialogue on transgender identities from across the Christian theological spectrum. It brings together contributors with expertise and platforms in the study of transgender identities to articulate and defend differing perspectives on this contested topic. After an introductory chapter surveys key historical moments and current issues four views are presented by Owen Strachan, Mark A Yarhouse and Julia Sadusky, Megan K DeFranza and Justin Sabia Tanis. The authors respond to one another's views in a respectful manner modeling thoughtful dialogue around a controversial theological issue. The book helps readers understand the spectrum of views among Christians and enables Christian communities to establish a context where conversations can safely be held. *Christianity and Moral Identity in Higher Education* P. Glanzer,T. Ream,2009-11-23 This book offers examples from both Christian and secular democratic institutions of higher education and then responds to possible criticisms about how moral education in a comprehensive humanist moral tradition may short change diversity, autonomy and critical thinking. **The Student's Handbook to the University and Colleges of Cambridge** ,1910 *Resources in Education* ,1986 *Peterson's College Money Handbook*, 1991 Peterson's Guides,1990-10 **Journal of the American Association for Health, Physical Education, and Recreation** ,1950
