Matthews, 2025-09-20 The eternal flame is not a metaphor it is a living current running through the heart of every authentic spiritual tradition In 105 Esoteric Traditions of the World Book VII The Flame That Cannot Die Laing Z Matthews takes readers into the heart of humanity s oldest and most enduring symbol the light that never goes out This is the seventh installment in the acclaimed 105 Esoteric Traditions series weaving together wisdom from across continents cultures and centuries to show how mystics initiates and sages have guarded and transmitted the fire of spiritual awakening From the temple fires of Zoroastrianism to the Lamp of the Heart in Sufi poetry from the Phoenix myths of Egypt and China to the unconsumed bush of the Hebrew mystics this book is a pilgrimage through the symbols rites and living practices that keep the soul s inner flame alive Matthews draws on a lifetime of study in comparative religion esoteric philosophy and meditative practice to explore the unbroken chain of
