

Favorite holiday destination Essay

Cameron Highland, which is situated in the state of Pahang, is one of the most beautiful holiday destinations in Malaysia. With its cool weather, lushly greens and well-preserved colonial buildings, Cameron highland is certainly the perfect get-away location where both locals and foreigners should spend their relaxing holiday there.

In hindsight, from a small Hill station, Cameron Highland has developed into a very popular resort. Nowadays, the resorts on Cameron Highland are built not only for the residents of this country but also to woo overseas vacationers as well. Cameron Highland, which is famous for its cool and temperate climate plateau is an ideal alternative escape spot from the sweltering heat of the lowlands in Malaysia. Furthermore, with its picturesque view of the surrounding, which is filled with beautiful flowers and mountains, it's simply breathtaking.
