2024-25 RRB Nursing Study Material YCT Expert Team , 2024 25 RRB Nursing Study Material 602 1195 E This book contains the solution of the previous 7881 objective questions asked in the examination [Study Material](#) [\(UPPSC/UPNHM-CHO/AIIMS/BHU/DSSSB\)](#) YCT Expert Team , UPPSC UPNHM CHO AIIMS BHU DSSSB Study Material Solved Papers [Democracy in India](#) KHRITISH SWARGIARY,2025-04-01 India s democratic journey is a testament to the resilience and adaptability of its people and institutions This book Democracy in India Evolution Challenges and Reforms Before and After 2014 endeavors to trace the remarkable trajectory of India s democracy examining its historical foundations contemporary challenges and future prospects Through a lens of balance and evidence based analysis I seek to provide readers with a comprehensive understanding of how India s democratic framework has evolved and the critical issues it faces today Historical Foundation The Birth and Early Trials of Indian Democracy India s democratic journey began with the drafting of its Constitution by the Constituent Assembly a body that reflected the nation s diversity and aspirations Adopted in 1950 the Constitution established India as a sovereign socialist secular democratic republic laying down key features such as Fundamental Rights Directive Principles of State Policy a federal structure and an independent judiciary These elements were designed to balance individual freedoms with social justice unity with diversity The early years of Indian democracy were marked by significant challenges including the trauma of partition widespread poverty and illiteracy Yet the first general elections of 1951 52 demonstrated the resilience of democratic principles with over 170 million voters participating in the world s largest electoral exercise at the time This period laid the groundwork for India s democratic evolution despite overwhelming odds Post 2014 India Transformation and Controversy The 2014 general elections marked a significant shift in India s political landscape with the decisive victory of Narendra Modi and the Bharatiya Janata Party BJP The Modi era has been characterized by ambitious reforms such as the Goods and Services Tax GST demonetization and the Swachh Bharat Abhiyan While these initiatives have had notable successes they have also faced implementation challenges and sparked debates over their impact on different segments of society The rise of majoritarian politics under the BJP has reshaped India s political discourse with policies like the Citizenship Amendment Act CAA and the revocation of Article 370 in Kashmir raising questions about the balance between national integration and minority rights This period has highlighted the tension between centralized authority and federal principles a theme that continues to influence India s democratic trajectory Evaluating Democratic Health Institutions Under Strain India s democratic institutions have faced significant tests in recent years Civil liberties once robust have shown signs of erosion with laws like the Unlawful Activities Prevention Act UAPA being used to curb dissent Judicial independence a cornerstone of India s democracy has faced pressures from executive overreach and internal challenges such as pendency and overreach Media freedom a vital pillar of democracy has also come under strain with India s ranking in the World Press Freedom Index showing a concerning decline The rise of social media

has amplified both the opportunities for citizen engagement and the risks of misinformation and polarization. The Way Forward Vision and Recommendations. Looking ahead, India's democracy stands at a critical juncture. The path forward requires a delicate balance between stability and inclusivity, accountability and autonomy. Electoral reforms such as proportional representation and stricter funding regulations are essential to ensure fair and representative governance. Strengthening institutions through transparent processes and safeguarding judicial and media independence are imperative to restore public trust. Promoting civic engagement through voter education and supporting civil society organizations can foster a more participatory democracy. By leveraging digital tools for transparency while addressing socio-economic inequalities, India can build a democratic framework that is both resilient and inclusive. Democracy in India: Evolution, Challenges and Reforms Before and After 2014 is an invitation to reflect, question and act. It is a narrative of India's democratic journey, celebrating its achievements while grappling with its complexities. As citizens, we are the custodians of this vibrant system, and it is through our participation, debate and accountability that democracy flourishes. I hope this book inspires readers to engage with India's democratic story, contributing to its ongoing evolution with optimism and vigilance.

With gratitude and hope, Khrishna Swargiary
