- The clock seemed to slow as I thought of her. I knew what she would say.
- It was the kind of night I knew I would remember for the rest of my life.
- As he stepped off the train, a wave of panic seized him.
- "I'm afraid there's nowhere else to go from here," he said.
- "I see so much of myself in you," she said quietly. "It frightens me."
- The car skidded to a stop, and she threw open the door angrily. "Well, that was a colossal waste of time."
- No one made a sound. Angela was certain she'd never heard a silence so silent before.
- "Where are you going?" he asked. "Anywhere that isn't here," she said.
- David hadn't lied, per se, he reasoned... he'd simply massaged the truth.
- She opened the door and stepped inside. There was no going back now.
- The old man's hand was leathery and worn. His fingers bore the deep crevices and cracks that only come with age.
- She click-clack-clicked down the hallway, each step echoing out a cry of "I am here! I am here!"
- Sometimes when I was young I would sit and wonder where the stars went when each night ended. When I learned that they never truly go away, I realized the answer I'd really been searching for all along.
- His eyes lit up like the Fourth of July. "Let's go!"
- "This isn't the right time," I said. "Will it ever be?" she asked.
- He stepped in the room, and the crowd immediately began to cheer. He knew it was the greatest feeling he would ever experience.
- "Take a right at the first turn, then go another two miles and take a left when you see the big willow tree," he said. "Go another half mile or so, and it will be on your right. You'll know when you're there."
- As we walked down the street and turned the corner, I suddenly knew that we'd made the right choice.
- "Well," Morgan said with a smile. "I guess there's only one way to find out!"
- I'd never gone out of the country before—and this was hardly an ideal way to start.
- "I hope you don't think this is a game," I said roughly. "Because it's far from it."
- With the way the street looked that night as the stars shone down, I almost felt like I could learn to love living there forever. Almost.
