Eco-Informed Practice Tracey A. Laszloffy, Markie L. C. Twist, 2019-04-17 This innovative book examines how family health and well being have been impacted by increased alienation from the natural world and calls for greater incorporation of ecological issues into therapeutic practice. Positioning environmental activism as a critical social justice issue the book highlights the unique opportunities for family therapists to promote reconnection healing and sustainability by integrating attention to nature and the environment into their work. Contributors also recommend clinical ideas strategies and interventions that can be employed as part of this approach to therapy research and teaching. Among the topics covered Developmental benefits of childhood experiences with nature Applications of indigenous healing methods in Western practice. Wilderness and adventure therapy immersion Clinical educational and supervisory applications of an eco informed approach to therapy. The first work of its kind to address the overlap in environmental and family sustainability in the field of family therapy. Eco Informed Practice Family Therapy in an Age of Ecological Peril fills a significant gap in family therapy literature. Students and professionals in mental health fields will find this book an enlightening perspective on family therapy as well as a set of useful guidelines for implementing this exciting new approach in clinical practice.
