### **Ephesians Chapter 3 Study Questions:**

Grace-Filled Marriage: Keys to Avoid Divorce Dr. Venkat Potana, 2026-01-02 Foreword Divorce is not just a personal crisis it is a societal epidemic Research from the American Psychological Association indicates that nearly 40 50% of marriages in the United States end in divorce Globally the trend is equally concerning with countries across Europe Asia and even traditionally conservative cultures experiencing rising divorce rates The impact is staggering broken families contribute to emotional trauma financial instability and a generational cycle of relational dysfunction Children of divorced parents are twice as likely to experience divorce themselves and studies show they face higher risks of anxiety depression and academic struggles Yet despite these alarming statistics marriage remains one of the most beautiful and foundational institutions for both individuals and society The question is not whether marriage is still worth fighting for it absolutely is The real question is How do we build marriages that last This is where Grace Filled Family Keys to Avoid Divorce becomes essential reading Unlike the countless self help books that offer temporary fixes Dr Venkat Potana approaches this issue from a holistic biblical and research driven perspective As a seasoned theologian missiologist and author with over 25 years of experience in theological education and pastoral ministry Dr Potana is uniquely equipped to address the complexities of marriage with both spiritual depth and practical wisdom What sets this book apart is that it comes with the rich experience of years of counseling married couples Dr Potana and his wife are professional counselors having walked alongside numerous couples guiding them through crisis helping them rebuild trust and strengthening their commitment to a grace filled marriage Their insights are not just theoretical but deeply rooted in real life counseling sessions making this book a highly practical and transformational resource This book is not about placing blame or offering simplistic solutions Instead it provides proven grace filled strategies that help couples Understand the root causes of marital breakdown Develop healthy communication patterns Navigate conflicts with grace and biblical wisdom Restore intimacy and emotional connection Build a Christ centered foundation that withstands life s storms What makes this book especially relevant is its emphasis on grace Many couples struggle under the weight of unmet expectations unresolved hurts and cultural pressures that distort the true purpose of marriage Dr Potana masterfully redirects our focus to God s design for the family showing how embracing grace forgiveness and covenantal love can transform even the most fragile relationships If you are married engaged mentoring couples or leading a church this book is a must read It is not just a guide it is a lifeline for those seeking to build marriages that thrive not just survive As divorce rates continue to climb we must ask ourselves Are we investing enough in our marriages Reading this book is one of the best investments you can make not only for your marriage but for future generations Grace filled families are the foundation of a healthy society Let s make ours one of them Dr Jeramiah Professor of Psychology Deceitful Masters Howard Eugene Wright, 2009-04-20 When the Ruling Elite s promise of a genuine change short changes you this book will show you how to change your despair into a changeless hope in your ever changing world
