## **Epic Explorers Leader S Guide:**

*Epic Explorers Leader's Guide* Tamar Pollard, Nate M. Locke, 2014-11-08 Epic Explorers is a brand new addition to the Christianity Explored range specially designed for 4-11s. The five flexible sessions can be used for a holiday club after school club or as an opportunity for children to invite friends to their church group. Epic Explorers takes children through Mark's Gospel as they explore the life of Jesus together. On the way they will discover Who Jesus is, Why He came, and What it means to follow Him. The Leader's Guide includes session outlines, talks, Bible discussion groups, and a wide range of linked games, crafts, and activities. There are also suggestions for family events to help you build links with parents as well as their children. The Leader's Guide is designed to use alongside two children's booklets: the Epic Logbook for 8-11s and Epic Scratch Pad for 4-7s.

**Lead Like a Guide** Christopher I. Maxwell Ph.D., 2016-09-26 Discover the leadership strengths of world class mountain guides and see how developing and applying these principles can help you reach for the highest summits in work and in life. This intriguing approach to business and personal success introduces six leadership strengths of world class mountain guides demonstrating social intelligence, adopting a flexible leadership style, empowering others, facilitating the development of trust, managing risk in an environment of uncertainty, and seeing the big picture. The premise is that these same strengths provide a valuable model in the workplace and other networks, whether one is already in a leadership position or aspiring to get there. The result of more than a decade of research combined with the author's personal experience, the book explains how mountain guides coach people to reach for their highest goals in the most challenging environments, often enabling them to far exceed what they imagined possible. The same principles can be applied in business and elsewhere. To set readers on the right path, the author explains six strengths of guides incorporating interviews and quotes from guides and expedition participants to illustrate leadership lessons and show how they can be successfully used off the slopes. The book also provides a checklist of action steps readers can follow to foster skill development.
