## Episode 501 Note Taking Answers:

**The Correspondence of Wolfgang Capito** Wolfgang Capito, 2015-11-26 Wolfgang Capito 1478-1541 a leading Christian Hebraist and Catholic churchman who converted to Protestantism was a pivotal figure in the history of the Reformation. After serving as a professor of theology in Basel and adviser to the archbishop of Mainz he moved to Strasbourg which became largely due to his efforts one of the most important centres of the Reformation movement after Wittenberg. This penultimate volume in the series is a fully annotated translation of Capito's existing correspondence covering the years 1532-36 and culminating in the Wittenberg Concord between the Lutheran and Reformed churches. The correspondence includes Capito's efforts alongside those of his colleague Martin Bucer to negotiate that compromise. Other letters deal with local political, financial and doctrinal questions as well as Capito's personal life. The letters demonstrate the importance of Capito and his colleagues in providing advice in matters concerning the churches in southern Germany and Switzerland but also regarding the evangelicals in neighbouring France. Milton Kooistra's annotation provides historical context by identifying classical patristic and biblical quotations as well as persons and places. Continuing in the tradition of rigorous scholarship established in Volume 1 and Volume 2 this volume provides crucial details on the evolution of Capito's thought and its contribution to the Reformation movement.
