to discover just how one of the victims in particular an American diplomat became caught up in the slaying And he is arguably even more determined to have nothing to do with Campbell whom he finds simultaneously too foreign and too familiar The personal polarity that once attracted Yan and Campbell again strengthens their professional partnership Yet the closer they draw to the truth the greater the danger posed by a killer prepared to do anything to conceal it *Dry Bones* Peter May,2010-03 What has happened to Jacques Gaillard The brilliant teacher who trained some of France s best and brightest at the Ecole Nationale d Administration as future Prime Ministers and Presidents vanished ten years ago presumably from Paris Talk about your cold case The mystery inspires a bet one that Enzo Macleod a biologist teaching in Toulouse instead of pursuing a brilliant career in forensics back home in Scotland can ill afford to lose The wager is that Enzo can find out what happened to Jacques Gaillard by applying new science to an old case Enzo comes to Paris to meet journalist Roger Raffin the author of a book on seven celebrated unsolved murders the assumption being that Gaillard is dead He needs Raffin s notes And armed with these he begins his quest It quickly has him touring landmarks such as the Paris catacombs and a chateau in Champagne digging up relics and bones Yes Enzo finds Jacques Gaillard s head The artifacts buried with the skull set him to interpreting the clues they provide and to following in someone s footsteps maybe more than one someone after the rest of Gaillard And to reviewing some ancient and recent history As with a quest it s as much discovery as detection Enzo proves to be an ace investigator scientific and intuitive and for all his missteps one who hits his goals including a painful journey toward greater self awareness **The Enzo Files Omnibus** Peter May,2022-09-22 THE GRIPPING ENZO MACLEOD OMNIBUS Extraordinary People Ex forensic scientist Enzo Macleod is employed to solve the ten year old case of a missing Frenchman Armed with modern technology and a total disregard for the justice system The Critic Beneath the tranquil facade of French viticulture lurks a back stabbing community riddled with rivalry and someone who is ready to stop him even if they have to kill again Blacklight Blue Diagnosed with a terminal illness Enzo Macleod is running out of time to crack the most confounding of unsolved French murders Freeze Frame This tiny isle off the coast of Brittany is the scene of a murder left shrouded in mystery and grief Blowback Footprints in the snow lead to the murder scene of Marc Fraysse France s most celebrated chef brutally shot before he could make the revelation of his career Seven years on and the mystery still raw Enzo Macleod forensic investigator forays into the heated world of haute cuisine to uncover bitter feuds and a burning secret Cast Iron In 1989 a killer dumped the body of twenty year old Lucie Martin into a picturesque lake in the West of France Fourteen years later during a summer heatwave a drought exposed her remains No one was ever convicted of her murder But now forensic expert Enzo Macleod is reviewing this stone cold case the toughest of those he has been challenged to solve The Night Gate In a sleepy French village the body of a man shot through the head is disinterred by the roots of a fallen tree A week later a famous art critic is viciously murdered in a nearby house The deaths occurred more than seventy years apart Spanning three generations taking us from war torn London the Outer Hebrides of Scotland Berlin and
